Where It All Began The 1978 Hawaiian Iron Man Triathlon:

Where It All Began Tom Knoll,2014-02-21 There has been a lot said about how the Original Hawaiian Iron Man triathlon came to be A lot of it is completely false It came into being after a debate over cold beers at the Primo Brewing Company about who was the most fit athlete was it runners cyclists or swimmers They decided to put it to the test and end the debate The question would be answered by who finished the triathlon first or if it was even possible to finish This book will give you the straight story on how it all came to be by Tom Knoll who was there at the beginning and who finished sixth place in the Hawaiian Iron Man in 1978 The real story about the race in 1978 and it will blow you away These men had the courage of astronauts as it had never been attempted before and no one knew if it could be done The true story is within these pages and it is amazing *How To Qualify For Kona - Ironman Triathlon World Championships , Ironstruck? 500 Ironman Triathlon Questions and Answers* Ray Fauteux,2008-07-28 You really want to do the Ironman Triathlon but there are so many questions you need answered This book will answer 500 of those questions for you and will help you realize your dream of crossing that amazing finish line There are also some very inspiring stories and great recipes submitted by triathletes around the world that make this one of a kind triathlon book even more special **Chasing Greatness** Barrie Shepley,2022-06-14 Barrie Shepley s quest to find greatness in himself and others has been far from a straight line His job as a professional coach and TV sports commentator has taken him to all corners of the earth where he s experienced many unexpected twists and turns The stories that Barrie tells will have you crying laughing holding your breath and at times even applauding His stories are about sport but also about life love success and failure Whether a sports fan or not this book carries lessons for us all Learn about Barrie Shepley and his unforgettable journey from small town roots to the highest level of sport success but also learn what it means to find the best in yourself along the way *Triathlete Magazine's Essential Week-by-Week Training Guide* Matt Fitzgerald,2009-11-29 From Triathlete magazine the most popular source for triathlete information comes an essential guidebook of weekly training plans for all skill levels As popular as the swim bike run sport has become in recent years triathlon training remains a daunting physical and mental challenge From short sprints to Olympic distance events this guide from Triathlete magazine provides athletes with different plans for every skill level and shows them how to build up their training to reach their ultimate goal Good humored narrative text accompanies detailed workout schedules guidelines weekly goals and coaching tips Including off season training advice and photo illustrated stretches and exercises this is the book triathletes need to stay at the top of their game **How to Qualify for Kona** Ben Greenfield,2012-04 Getting to the Ironman Triathlon World Championships in Kona Hawaii can be pretty tough But with this new book from Ben Greenfield and the Rock Star Triathlete Academy you ll be instantly equipped with what you need to qualify This comprehensive manual includes History Of Kona Ironman World Championships Qualification Criteria List Of Qualifying Races Tips From The Experts On Qualifying Qualifying Times per Age Group What To Expect on Race Day Tips
