Sabbath Evening Readings on the New Testament John Cumming,1857 **The Expositions On The Psalms Volume 2** St. Augustine of Hippo, In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God s people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple

and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is volume two out of two covering the Psalms LXXIV through CL An Exposition Upon the Epistle of Jude William Jenkyn,1863 The Mirage Shall Become a Pool Ondrej Hron,2012-11-01 Few things are as important as our notions of justice and mercy Yet how are we to make sense of our moral treatment of the poor given all the political philosophical and theological voices While Christian Scripture is not silent on the matters of social justice and charity even here our variously conditioned presuppositions cause us significant interference Only a careful hermeneutical reset can move us beyond our personal and cultural situatedness This requires a thorough exploration of both interpretative strategies and pertinent scriptural witnesses So how would the New Testament witness have us treat the materially needy How do we act justly and love mercy in walking humbly with our God *The Hendrickson Dictionary of New Testament Words and Concepts* Jonathan G. Kline,2025-07-08 What are the major conceptual and thematic categories found in the New Testament and how does understanding them help us create a mental map of the world in which Jesus lived and the world of the early church By presenting a broad range of New Testament words and ideas and grouping them according to conceptual and thematic categories this volume helps readers immerse themselves more deeply in these worlds The entries present the Greek words that lie behind their English equivalents and indicate or trace where these words occur in the New Testament thereby providing those who have not studied the original languages of Scripture with new insights into the conceptual world of the New Testament that cannot be gained by only studying English translations *Journey to the Center of the Soul* Dr. G Aldana,2017-04-11 CATCH THE WAVE Journey to the Center of the Soul JCS will restore your soul as it brings to light a New Wave of the Spirit which is gaining mass momentum and is about to gust into a giant Tsunami Catch the wave JCS Journey ers are experiencing soul restoration and are exploding with unprecedented forms of happiness contentment peace volunteerism and giving the likes of which we have not experienced since the first century church Spiritual Tsunami JCS invites you to come and experience a safe place a place where you can be real and be yourself where nobody is trying to fix you where there is no judgment no criticism no condemnation only grace JCS Journey ers will make a place where you can journey to the very center of your soul with the Soul Master himself Journey to the Center of the Soul has been orchestrated by God from the very beginning and it continues to radically facilitate the restoration healing teaching and recovery of the souls and thereby the spirits of all kinds of people from different types of groups without discrimination JCS is not a religion
