Printer's Devil Review: Fall 2012 (Paperback) Thomas Dodson, 2012-10-28 Printer's Devil Review is an independent open access journal of literary and visual art. We provide emerging writers and artists with access to publication and inquisitive readers with new voices and visions. **Four Gospels, One Christ** Michael John Hooton, 2016-06-03 The four Gospels are the only books in the Bible to tell the same story from four different angles. Together they show us not only what Jesus was like and how he lived but how his life can become the model for our own. Four Gospels One Christ offers an overview of the three years of Jesus' public ministry: what he did and how he did it as seen through the eyes of Matthew, Mark, Luke, and John. And by exploring the themes that run through the four Gospels, it invites us to reflect on what it really means to follow Jesus. **A Youth Worker's Commentary on John, Vol 1** Les Christie, David P. Nystrom, 2011-09-06 When a youth pastor is preparing a lesson, it's sometimes challenging to find a curriculum that really offers depth into the Scripture passages and goes beyond a cursory look at the text. A Youth Worker's Commentary on John is the first in a new series of commentaries developed with youth workers in mind. An in-depth yet readable approach to the Gospel of John, this first volume includes commentary, word studies, personal and historical stories, and discussion questions that will help get students thinking and talking. The Gospel of John is the most personal and revealing of all the portraits of Jesus in the New Testament. This commentary has the entire NIV biblical text printed alongside a rich, deep look into the meaning of this Gospel. Youth workers will find this to be an invaluable aid for message and lesson preparation. They'll get a solid understanding of the Gospel of John, including its historical context, rationale, and meaning, to see how to apply what they uncover to the needs and issues the teens in their group are dealing with. **A Story of God and All of Us Reflections** Mark Burnett, Roma Downey, 2025-05-01 In the beginning, God created the heavens and the earth. Genesis 1:1. These are the opening words of the greatest book the world has ever known: The Bible. In the Spring of 2013, husband and wife team Mark Burnett and Roma Downey decided to bring this story to the world in an epic television miniseries. This gorgeous, high-design book of 100 daily inspirations will help you to experience God's love through the text of the Bible. Each reflection includes a Bible verse, a personal reading, and a short prayer, with visually stunning images from the set of the epic TV miniseries. The Bible. In this book, you will find that God's love for you is a wellspring, inexhaustible, ever-flowing, refreshing, and always available. **The Dawn of the Warrior Age** Royall Tyler, 2024-04-02 The war between the Heike and Genji clans in the twelfth and thirteenth centuries is among the most compelling and significant moments in Japan's history, immortalized in The Tale of the Heike. Beyond the events recorded in this canonical text, the conflicts of the surrounding years are crucial to medieval Japanese culture and history. In 1156, power began to slip away from the court nobility in Kyoto. A shogunate was later founded in Kamakura, and in 1221 it won a decisive victory over the court. The three war tales translated in this book tell the story of these critical decades, vividly recording stages in the passage from rule by the imperial court in Kyoto to rule by the warrior

government in Kamakura The Tale of the H gen Years recounts a deposed emperor s disastrous attempt to regain the throne in 1156 The Tale of the Heiji Years narrates a bloody clash between rival courtier factions in 1159 An Account of the J ky Years records Kamakura s victory over the imperial attempt to overthrow it in 1221 These works do not simply complete the story of The Tale of the Heike they are classics of Japanese literature in their own right Royall Tyler s lively translation masterfully conveys the nature of medieval Japanese warfare rendering aristocratic power politics and the brutal realities of violence with equal aplomb The Dawn of the Warrior Age is an essential book for readers interested in premodern Japanese history and literature
