 Fieseler,2025-06-17 A vital expos for both our history and our present day American Scare tells the riveting story of how the
 Florida government destroyed the lives of Black and queer citizens in the twentieth century In January 1959 Art Copleston
 was escorted out of his college accounting class by three police officers In a motel room blinds drawn he sat in front of a
 state senator and the legal counsel for the Florida Legislative Investigation Committee nicknamed the Johns Committee His
 crime Being a suspected homosexual And the government of Florida would use any tactic at their disposal legal or not to get
 Copleston to admit it Using a secret trove of primary source documents that have been decoded and de censored for the first
 time in history journalist Robert Fieseler unravels the mystery of what actually happened behind the closed doors of an
 inquisition that held ordinary citizens ransom to its extraordinary powers The state of Florida would prefer that this history
 remain buried But for nearly a decade the Florida Legislature founded funded and supported the Johns Committee an
 organization using the cover of communism to viciously attack members of the NAACP and queer professors and students
 Spearheaded by Charley Johns a multi term politician in a gerrymandered legislature the Committee was determined to
 eliminate any threats to the state s white conservative regime Fieseler describes the heartbreaking ramifications for citizens
 of Florida whose lives were imperiled profiling marginalized residents with compassion and a determination to bring their
 devastating experiences to light at last A propulsive human centered drama with fascinating insight into Florida politics
