Treasures of life....Musing of a boy Soham jha,2022-11-17 The book Treasures of Life Musings of a boy is a story that encompasses all the wide and varied emotions and characteristics prevalent in mankind The protagonist Steve is a philosophical boy whose musings about the world range from the relativity of time to the significance of friendship and companionship His friend s importance in his life is paramount and each of their contrasting qualities binds them together and empowers them He embarks on a treasure hunt with his arch nemesis Walt who grudgingly agrees to a truce In the hunt for treasure they pick up jewels of wisdom and translate their enmity into friendship When they are at the climax they receive a shocking surprise a surprise that paves the way for them to understand the real treasures of life Blake's Word Bank
