Unleash Breaking Free From Normalcy:

Unleash! Perry Noble, 2012-09-20 Why is it that we trust Jesus with our salvation but never fully trust him with our lives God longs to unleash his full measure of power in our lives to fill us with passion and purpose But too often the things of our past fear anger bitterness worry and doubt hold us back Rather than focusing on the reality of who Christ is and what he has done for us we allow ourselves to be identified by all the things we aren't But we are not who our past says we are and we are not who the enemy says we are We are who God and his Word say that we are Pastor Perry Noble challenges all followers of Christ to make a bold move by fully embracing the exciting adventure God has called us to Are you ready to unleash all the life he has created you to live Join Perry on this journey as he digs into the major barriers holding people back and shows how Jesus calls and equips his followers to experience a life most of us never dreamed possible Overwhelmed Perry Noble, NewSpring Church, 2014-04-01 Stressed out Anxious Overwhelmed Good news you're not alone No one ever said life was going to be easy Between financial struggles marital issues health scares and the regular run of the mill problems of everyday life it's easy to feel weighed down and trapped by your circumstances In times like these it's tempting to just throw in the towel and quit Well don't do it Perry Noble has stood at the edge of the abyss himself and in Overwhelmed he shares the keys to unlocking the chains of anxiety and despair once and for all Building on the premise that when we shift our focus from our circumstances to Christ everything changes Perry walks readers through a life altering plan for overcoming stress worry depression and anxiety so we can be free to enjoy the abundant joy filled lives we were created for God knows we're frustrated He knows we're tired He knows we're struggling But He also knows how things are going to turn out He is greater than anything you are going through so don't give up on God After all He's never given up on you **Made for This Moment** Madison Prewett Troutt, 2021-10-19 A single moment can change your life forever When that moment arrives will you be ready In this deeply personal book Madison Prewett invites you into the moments that shaped her so that you can learn how to stand firm in your own convictions before your big moment comes along When Madison appeared on season 24 of The Bachelor she quickly earned a reputation for her ability to stay rooted in her convictions in the face of uncertainty Again and again she proved that she was fully prepared to stand up for what she believed in even in the most challenging moments If you're eager to learn how to keep your standards high and your roots deep so that you can make decisions you're proud of Madi's authentic vulnerability and real life challenges will help you live a life of integrity grace and courage In Made for This Moment Madi uses the biblical story of Esther to help you find the encouragement you need to Decide who you want to be before you step into your Big Moments Claim your confidence so you can get out of the comparison game Learn strategies for dealing with your past so it won't hinder your present Break free from the labels others put on you Learn how to respond to offense with grit and grace Discover how to be true to yourself no matter what No matter what stage of life you're in Made for This Moment will help you navigate the complex realities of living in an age of social media and confusing

standards God's timing is not a mistake you were made for this exact moment Can You Hear Me Now? Jake Moran, 2014-04-22 This book is a disarming look into one man's faith journey that will penetrate your heart and infiltrate your concept of God whatever that currently is to show the unmistakable the famous Yahweh Elohim Jehovah El Shaddai the presence of the Almighty God still alive and at work today in the life of one very ordinary man The author shares the rawness of his journey with Christ through one of his life's great valleys and winds up following God eight thousand miles from home only to find that God was up to more than he could have imagined His story tugs at the heart of obedience in the small things what it means to surrender your life to Christ and what God might wind up doing with that through the process
