Unlocking Trusts Unlocking Trusts:

Unlocking Equity and Trusts Mohamed Ramjohn, 2015-04-10 Unlocking Equity and Trusts will help you grasp the main concepts of Equity and Trusts with ease. Containing accessible explanations in clear and precise terms that are easy to understand, it provides an excellent foundation for learning and revising. The information is clearly presented in a logical structure and the following features support learning, helping you to advance with confidence:

- Clear learning outcomes at the beginning of each chapter set out the skills and knowledge you will need to get to grips with the subject.
- Key Facts summaries throughout each chapter allow you to progressively build and consolidate your understanding.
- End of chapter summaries provide a useful check list for each topic.
- Cases and judgments are highlighted to help you find them and add them to your notes quickly.
- Frequent activities and self-test questions are included so you can put your knowledge into practice.
- Sample essay questions with annotated answers prepare you for assessment.
- Glossary of legal terms clarifies important definitions.

This edition has been updated to include a brand new chapter on equitable remedies, an expanded chapter on fiduciaries and extended coverage of tracing. It also discusses recent developments in the law, such as the Trusts Capital and Income Act 2013, the Supreme Court decision in *Futter on the Rule in Re Hastings Bass* and the amended Public Benefit guidance issued by the Charity Commission. The books in the Unlocking the Law Series get straight to the point and offer clear and concise coverage of the law, broken down into bite-size sections with regular recaps to boost your confidence. They provide complete coverage of both core and popular optional law modules, presented in an innovative visual format and are supported by a website which offers students a host of additional practice opportunities. Visit www.unlockingthelaw.co.uk for access to free study resources, including multiple choice questions, key questions and answers, revision mp3s and cases and materials exercises.

Unlocking Trusts Mohamed Ramjohn, 2005 Unlocking the Law is a completely new series of textbooks with a unique approach to undergraduate study of law. From its conception, the series has been designed specifically so that the subject matter is readable; students are not overwhelmed with page after page of continuous prose. The text of each title is broken up with features and activities that have been written to ensure that students are pointed in the right direction when it comes to understanding the purpose of different areas within the course. Ultimately, the accessible style of Unlocking the Law will ensure that students not only understand fully the concepts required but are able to apply them with competence. All titles in the series follow the same format and include the same features so that students can move easily from one law subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications and will expand to include more titles on option areas.

Key features:

- Numerous headings and sub-headings to direct students easily to the specific area of study required.
- Cases separated from the main text with full citation for easy access.
- Key extracts from judgments separated out from the main text.
- Highlighted key extracts from academic sources such as leading texts or articles in legal journals with full citation.
- Summary charts of key

facts Diagrams flow charts and other key visual aids Activities including practice of specific undergraduate skills and learning tasks
