Sorensen, 1997-04 The leader's guide provides five sessions for helping teens to recognize emotional manipulation and sexual coercion in relationships Actual letters written by teens demonstrate how certain language can be used to mask intentions **Unmasking Sexual Con Games** Ronald W. Herron, 1993-01-01 This booklet is the student handbook for the emotional grooming curriculum It contains information on identifying and handling sexual harassment and emotional manipulation A questionnaire helps teens recognize their vulnerability to emotional grooming **Unmasking Sexual Con Games** Ron Herron, Kathleen M. Sorensen, 1998 Helping kids recognize and protect themselves from sexual harassment and abuse set healthy personal boundaries and develop good relationships front cover **Child Abuse, Child Exploitation, and Criminal Justice Responses** Daniel G. Murphy, April G. Rasmussen, 2020-01-08 There are few things in our society that provoke such raw

emotions as that of child abuse. Most people justifiably so are outraged when they hear of allegations of abuse and their anger is intensified as they learn of what seems to be an inappropriate criminal justice response. However, the debate on child abuse usually happens through visceral emotions rather than facts. Taking emotions out of a child abuse debate is much easier said than done, but it is of utmost importance to identify the facts. When the reader has a better understanding of the scope of child abuse, they can become more objective but still maintain their passion about ways to protect this vulnerable and targeted population.

Child Abuse, Child Exploitation and Criminal Justice Responses is unique in that it offers the reader contributing facts based not only through scholarly research but practical experience working in the field from this wonderful collaboration of criminal investigator and forensic nurse. Thus providing much personal insight and demonstrating how these two areas of expertise can join forces to achieve the objective of working as a team to facilitate safeguarding children. The authors also present the research on this complex yet worthy topic by identifying the unique challenges of investigating these offenses while ultimately bringing the perpetrators to justice and presenting the research from various perspectives of child abuse including both national and international issues and responses.

No Room for Bullies Jose Bolton, Stan Graeve, 2011. *No Room for Bullies* From the Classroom to Cyberspace shatters popular myths about bullying to reveal its stark realities. You will learn who is playing the intimidation game and how they play it. From social exclusion, physical violence and emotional backstabbing to sexual sleaze and cyberbullying. But this book takes you beyond problem recognition to proven solutions. Parents will find how to advocate for a child and work with the school when school bullying is a problem. Safe Internet Surfing Contract for kids that lays down the law on Internet use at home. Helpful strategies on what to do when a child acts like a bully, is a bullying victim or suffers from bystander silence. School administrators will find suggestions on how to measure the social climate of schools including sample surveys to give to students, staff and parents. A 12-point checklist on preventing problems in hallways, classrooms and common areas. Teachers will find advice for creating and enforcing classroom rules including an Airport Rule that gives students a sense of safety. Ideas to minimize the chaos that occurs during passing periods and in unowned areas like restrooms and hallways. The contributing authors include child psychologists, parent trainers and teachers. Drawing on their years of experience, they tackle bullying from all the angles: the bully, the victim, the bystander, the teacher, the parent and the environment.

Helping Vulnerable Children and Adolescents to Stay Safe Katie Wrench, 2016-08-18. Helping vulnerable children and young people to build protective behaviours is the key to keeping them safe. Full of creative ideas and activities, this guide provides the tools to help children develop these key skills. Topics include work around building resilience and problem-solving skills, identifying a safety network, developing emotional literacy, awareness of grooming strategies and safe/unsafe touch and cyber safety. The range of tried and tested techniques will be sure to engage any child in thinking about their personal safety, allowing adult carers to have confidence that their child will be empowered to better identify and avoid harmful situations and behaviours. Practical and easy to use, this is a valuable
