Unruly The Highs And Lows Of Becoming A Man:

Unruly Ja Rule, 2014-07-01 Ja Rule actor singer songwriter and one of the most multi dimensional rap artists of his time tells his compelling story from his youth to his rise to international fame to his transformative two years in Federal prison and reveals the man beneath the legend Unruly is two stories that offer one complete picture of a man and his world the angry fatherless rapper Ja Rule who was raised by the streets and Jeffrey Atkins the insightful reflective father and loyal husband who learned the hard way how to be a good man Filled with never before revealed anecdotes and sixteen pages of black and white photos Unruly shows the determination that it takes to become a man in today s society Ja Rule considers the lack of role models for many young black men today a void that leads to bad choices and the wrong paths Recalling his youth he illuminates the seductive pull of the streets and the drug dealers who were his earliest role models Jeffrey Atkins offers practical wisdom reflection growth and hope learned first hand as an inmate father husband and community role model He speaks fondly of men who inspired Unruly the inmates he met in prison whose misguided ideas of masculinity landed them behind bars and Louis Farrakhan who mediated the televised encounter with Ja Rule s adversary 50 Cent Unruly is a compelling personal look at the duality and conflicts that arise in the African American male psyche from a man who has enjoyed breathtaking fame and suffered heartbreaking misfortune
