Salerno Jr, 2004 Finally a book which simplistically insightfully and systematically presents an integrated concrete overview of the 22 chapters or 404 verses of the book of Revelation Revelation Unsealed is unique in a number of major areas It is the first book to approach the text of Revelation from what is termed the Pre Wrath Rapture perspective This is the hotly debated view that the church will enter the Seventieth Week undergo the great tribulation of the Antichrist and be gathered off the earth before the wrath of God unfolds This view is presented in a logical scenario which is then placed within the overall context of the Apocalypse Also contained is an entirely fresh biblical perspective of the emergence

of the Antichrist Additionally this book also fully covers the relevance of world events the amazing track record of biblical prophecy the fulfillment of the seven religious feast of Israel the battle of Armageddon and the Millennial Kingdom of Jesus Christ All of these issues are addressed in a concise and simple manner with numerous charts and illustrations to aid the reader in easily conceptualizing and visualizing what is outlined Its contents will challenge both the newest Christian and the seasoned biblical scholar

Revelation Unsealed! D. M. Wessel, 2003-10 The Revelation to John is a sealed book which means it is closed up and only the Biblical law of witnesses can unlock its secrets
The Time Is at Hand! Desmond Ford, 2010-01-12 For nearly 2 000 years the book of Revelation has been viewed as the most difficult book in the Bible The hundreds of commentaries in the Library of Congress testify that there is no unanimity about the meaning of the symbols of Revelation And yet this is the only book in the Bible where a special blessing is pronounced on its readers Its a book from Jesus Christ about himself his gospel the future and what will happen to the saints at the end of time Desmond Fords Introduction to the Book of Revelation is the fruit of decades of study plus research at the University of Manchester under Professor F F Bruce Ford offers a much neglected key this sacred book can only be unlocked by understanding the preceding 65 books of the Bible and in particular the life teachings and death of Jesus The main message of Revelation is that the church is to repeat the experience of its Lord After its final proclamation of the gospel it will be condemned to martyrdom And this climactic sin of the world will precipitate the return of Christ in glory

The Book of Revelation Made Clear
Douglas Connelly, 2018-01-30 Gain an in depth understanding of a book that has confused millions Getting a glimpse into the future is always intriguing especially when that glimpse comes from God's Word But let's face it the book of Revelation has some pretty weird stuff in it seven headed beasts locusts with gold crowns a city coming down from the sky What does it all mean and how does it help you in your Christian faith This lighthearted yet accurate guide to the last book of the Bible will

help you overcome the confusion Engaging and user friendly The Book of Revelation Made Clear helps you Understand the message of this often misunderstood book chapter by chapter Discover what Revelation says about how end time events will unfold Make sense of all the symbolism See how Revelation relates to other parts of the Bible Learn how others interpret controversial parts Worship God with a new vision of his glory and ultimate triumph and of what that means for you **The Unsealed Book** Samuel Jardine,1966 **Daniel and Revelation Unsealed** Mark Shipowick,2020-08-30 God through the prophet Amos has promised humanity that He will reveal himself and his Providences in human history All of the important events in the history of mankind from the fall of Adam to the close of time have been laid out for us in the prophecies of scripture Regarding the future God s promise to us is Surely the Lord GOD will do nothing but he revealeth his secret unto his servants the prophets Amos 3 7 The books of Daniel and Revelation are one prophecy but given in two parts The two books describe events from the time of ancient Babylon to the return of Christ Daniel was commanded to seal the meaning of his prophecies so that they would only be understood fully at the time of the end Daniel 12 9 Six hundred years later the Apostle John was shown the end of time when the mysteries of Daniel were to be unsealed for the final generation Rev 4 1 After this I looked and behold a door was opened in heaven and the first voice which I heard was as it were of a trumpet talking with me which said Come up hither and I will shew thee things which must be hereafter Rev 4 2 And immediately I was in the spirit and behold a throne was set in heaven and one sat on the throne Rev 5 1 And I saw in the right hand of him that sat on the throne a book written within and on the backside sealed with seven seals Rev 5 2 And I saw a strong angel proclaiming with a loud voice Who is worthy to open the book and to loose the seals thereof Rev 5 3 And no man in heaven nor in earth neither under the earth was able to open the book neither to look thereon Rev 5 4 And I wept much because no man was found worthy to open and to read the book neither to look thereon Rev 5 5 And one of the elders saith unto me Weep not behold the Lion of the tribe of Juda the Root of David hath prevailed to open the book and to loose the seven seals thereof The above verses foretell a time when God will send a strong angel to earth to awaken a widespread interest in the prophecies by proclaiming in a loud voice Who is worthy to open them In our unprecedented times of global civil unrest pandemic disasters and looming New World Order humanity is primed now by the question of the angel Like no other time in history mankind waits for the answer with baited breath This itself is the strongest evidence that the divine answer is about to be given God will it clear that no intelligent being mortal or immortal is qualified to reveal the future except the Lion of Judah Jesus Christ as He breaks and fulfills them one by one Since global condition indicate that time is here this document combines Daniel and Revelation together and cross references them for easy reference In the cross references D stands for Daniel and R for Reveltion The goal is to help make the application of the prophecies plain even as they unfold before our eyes To make the best use of it first read the book of Revelation through in one sitting it is short to get an overview As you read notice that the scenes alternate between scenes in the heavenly temple where Christ performs his final atonement and

scenes on earth And in all of the study of scripture the primary question the student should especially be asking is what does the Lord want us personally to do with this information in terms of how we should live and be effective servants and witnesses for him There is a study supplement on some of the main themes contained in these books also available on Amazon called Daniel and Revelation Unsealed A Study Supplement This is intended as an aid but has not been included here to underline the point that Daniel and Revelation themselves should be the main focus of study because these are the books that have heaven s emphatic endorsement for our times No other scripture promises such a rich blessing to the sincere student There is no surer end time road map **Revelation Opened Up and Unsealed, Second Edition** Charles Stanley Green,2016-12-21 Who truly understands the book of Revelation Surprisingly answers to God s secrets have always been right before our eyes We just had to wait on God s timing Beware of man s prophecies Jesus said most will be false Only the Bible can be trusted With end time knowledge you can see Revelation truth if you know how scriptures connect Just look at the first prophesy in Revelation Verse 5 5 confirms Daniel s 12 4 prophecy almost word for word God s end time secrets will be opened and unsealed by Jesus as knowledge increases during later days That time has now arrived This book is a guide showing where to look Once you see the hidden connections between scriptures prophecies of Revelation will be clearly understood in a miraculous way Jesus foretold of great tribulation in Mark and Matthew Both include this sentence Let the reader understand Now is the time for that to happen by reading directly from the Bible With guidance from this book you can finally see answers to secrets of the abomination of desolation Paul s third Heaven the seven seals horsemen of apocalypse the kings of Daniel chapter eleven Daniels 12 1 3 time of distress hidden details of trumpets and wrath rapture Armageddon Gog and Magog details of life during tribulation details of life during millennium and much more *The Unsealed Book* ,1968 *The Unsealed Bible* George Chainey,1902 **Revelation** Ian Paul,2018-07-31 The Book of Revelation is a fascinating piece of Scripture as well as an extraordinary piece of literature In this Tyndale Commentary Ian Paul takes a disciplined approach to the text paying careful attention to the ways that John draws from the Old Testament Additionally Paul examines how the original audience would have heard this message from John and then draws helpful comments for contemporary reflection
