Unsearchable Riches Christ Thomas Brooks:

The Unsearchable Riches of Christ Thomas Brooks, 2025-06-01 What did Paul mean when he referred in His epistle to the Ephesians to the unsearchable riches of Christ And what did he had in mind when he used the term riches In the end whatever these unsearchable riches might mean who benefits from them and how can a Christian have them If you would take up this book and start reading it you would be surprised seeing that the author started his wonderful analysis on this topic by speaking of humbleness He picks up humbleness as the starting point in his exposition on Ephesians 3:8 because that was the apostle's attitude of heart when he started to write on the subject of the riches of Christ Then he shows how this is the peculiar character of the souls upon whom Christ bestows His spiritual riches Brooks then opens the Fountain of the greatest riches the best riches the choicest riches namely the Person and work of Jesus Christ In Him we find overflowing the riches of justification the riches of sanctification the riches of consolation and the riches of glorification This book was originally published in 1655 This edition has been proofread typeset for eBook readers and lightly updated for modern readers *The Unsearchable Riches of Christ Or, Meat for Strong Men and Milk for Babes.
