Unspeakable Facing Up To Evil In An Age Of Genocide And Terror:

Unspeakable Os Guinness, 2006-02-07 We are still surprised by evil From Auschwitz to the events of September 11 we have been shocked into recognizing the startling capacity for evil within the human heart We now know 9 11 revealed that our country was unprepared in terms of national security but it also showed we were intellectually and morally unprepared to deal with such a barbaric act Our language to describe evil and our ethical will to resist it have grown uncertain and confused Many who speak unabashedly of evil are dismissed as simplistic old fashioned and out of tune with the realities of modern life Yet we must have some kind of language to help us understand the pain and suffering at the heart of human experience Author and speaker Os Guinness confronts our inability to understand evil let alone respond to it effectively by providing both a lexicon and a strategy for finding a way forward Since 9 11 much public discussion has centered on the destructiveness of extremist religion Guinness provocatively argues that this is far from an accurate picture and too easy an explanation In this expansive exploration of both the causes of modern evil and solutions for the future he faces our tragic recent past and our disturbing present with courageous honesty In order to live an examined life Guinness writes we must come to terms with our beliefs regarding evil and ultimately join the fight against it Addressing individuals as well as a traumatized culture *Unspeakable* is an invitation to explore the challenge of contemporary evil a call to confront our culture of fear and a journey to find words to come to terms with the unspeakable so that it will no longer leave us mute **Trust in**

an Age of Arrogance C FitzSimons Allison, 2011-05-26 God is in the dock Shall we convict him or forgive him Shall we replace the God of Scripture with another of our choosing mock and deride him or ignore him Shall we replace revelation with the chaos of speculation We perceive ourselves rather than God as the center of the world and this universal condition leads to conflict with others and with God Maintaining our center causes cheating lying litigation divorce wars genocide and human misery Western civilization is giving up trust in the promise of God s mercy justice and forgiveness and replacing it with trust in the goodness of man Jesus warned us to beware the teaching of the Sadducees and Pharisees The Sadducees who denied hope of eternal life are a rough equivalent of our modern day secularists with their religious trust that this world is all there is Replacing God with trust in flawed human nature is a mark of arrogance that even pagans would have characterized as hubris evoking divine wrath The Pharisee s yeast of self righteousness is a natural condition of us all Even when cleansed it reappears in every tradition rendering forgiveness and transformation a promise only for those who think they have earned and deserve it Such a distortion of God s word is congenial to our self as center but it robs us sinners of the justice and mercy of a loving God Following Jesus s warning we have the opportunity to wipe away the Sadducee arrogance and the Pharisee self righteousness and discover anew the supreme power and joy of the Christian faith **CSB**

Treating Weapons Proliferation David Santoro, 2010-02-15 Treating Weapons Proliferation is a chilling exploration of the dynamics of weapons proliferation and nonproliferation Through an analogy with the disease of cancer the book walks the reader through the history of the phenomenon its growing

complexities and changing dimensions its causes and consequences and the various policy responses currently available to address it Taking stock of the nature and challenges of such responses the book shows that there is no all encompassing cure for weapons proliferation at the present time only treatments of relative and contextual effectiveness Simply put weapons proliferation like cancer has no single cure but it is a condition that can often be treated sometimes successfully The Catholic Periodical and Literature Index ,2005 **Library Journal** ,2005 **Zeitschrift für Genozidforschung** ,2005 **Book Review Index** ,2006 Every 3rd issue is a quarterly cumulation The Publishers Weekly ,2004 *The Book Review Digest* ,2005 **American Book Publishing Record** ,2003 *Index de Périodiques Canadiens* ,2001 Organiser ,2001-07 *Congressional Record* United States.
