America's Obsessives Joshua Kendall,2025-05-01 When most of us think of Charles Lindbergh we picture a

dashing twenty five year old aviator stepping out of the Spirit of St Louis after completing his solo flight across the Atlantic What we don't see is the awkward high school student who preferred ogling new gadgets at the hardware store to watching girls walk by in their summer dresses Sure Lindbergh's unique mindset invented the pre flight checklist but his obsession with order also led him to demand that his wife and three German mistresses account for all their household expenditures in detailed ledgers Lucky Lindy is just one of several American icons whom Joshua Kendall puts on the psychologist's couch in America's Obsessives In this fascinating look at the arc of American history through the lens of compulsive behavior he shows how some of our nation's greatest achievements from the Declaration of Independence to the invention of the iPhone have roots in the disappointments and frustrations of early childhood Starting with the obsessive natures of some of Silicon Valley's titans including Steve Jobs Kendall moves on to profile seven iconic figures such as founding father Thomas Jefferson licentious librarian Melvil Dewey condiment kingpin H J Heinz slugger Ted Williams and Estee Lauder This last personality was so obsessed with touching other women's faces that she transformed her compulsion into a multibillion dollar cosmetics corporation Entertaining and instructive Kendall offers up a few scoops along the way Little do most Americans know that Charles Lindbergh under the alias Clark Kent sired seven children with his three German wives As Lindbergh's daughter Reeve told Kendall Now I know why he was gone so much I also understand why he was delighted when I was learning German

A Family Memoir Anne Baxter,1924-12-01 *Without Her* Creedy, **Family Matters!** Steve Kates,2017-06-14 Pure happiness is a Walt Disney M G M myth which is why their beatific output has been so universally embraced for decades It's what everyone wants but will never attain Ozzie and Harriet were a lie I have selected incidents from my life that reflect both the laughs and the sad underbellies of my familial connections and interactions There are good people and there are good people doing bad things knowingly or not There are mean spirited people There are pathetic people There are smart and

unintelligent people both making good and poor choices And there are failures Yet I would wager that if you could have polled the characters herein 95% of them would say they had happy lives Perhaps that reflects our miraculous human faculties for self delusion survival and finally eternal hope Some memoirs do not directly mention their author yet the very narrative can often tell much about the writer I m sure many of mine do Most of the people in this memoir are gone and thus defenseless in the face of what my memory has directed me to put on paper Obviously my recollections reflect a certain personal bias But whatever transpired during their lives with me I wish almost all of them peace How Did You Find Me...
