Unveiling Daniel And Revelation:

Unveiling Daniel and Revelation Roy Allen Anderson, 2006 Unveiling Daniel's Prophecies of End Time Events Clarence Duff, 2004 Here is the book you have been waiting for There is no doubt that the books of Daniel and Revelation contain some of the most difficult and complex prophecies in the entire Bible Unveiling Daniel s Prophecies of End Time Events clarifies many of the complexities and answers some of the most challenging questions contained in these prophecies It sets forth a new and strikingly simple prophetic explanation that allows the reader to fully understand the prophetic sequence contained in Daniel 2 and 7 in association with selected prophecies from Revelation 13 and 17 Many books have offered interpretations of the prophecies of Daniel and Revelation but little attention has actually been given to unfolding prophetic events within the prophetic timeline In this unique book the author attempts to rectify this By sequencing the prophecies of Daniel 2 and 7 along with associated prophecies from Revelation the author is able to present the logical unfolding of prophetic events from the first world empire to the fall of Rome to the rise of the ten horn seven headed beast the wounding of the beast to the rise of the Antichrist to the coming of the Lord Jesus the King of kings and Lord of lords Unveiling Daniel s Prophecies of End Time Events is a highly readable volume and will be a valuable resource for pastors Christian educators Bible students and all who are interested or curious about the prophecies of Daniel and Revelation Clarence Duff ThD PhD Dr Duff is professor at Canada Christian College where he lectures in Christian education He is the author of Unlocking the Mystery of Depression He holds a MDiv and ThD from Canada Christian College an MA in Counselling Psychology from Liberty University a PhD in Religious Studies from California State Christian University and is the candidate for the PhD in Psychology from Capella University **Babylon Revealed** Anthony Mattiello Jr, 2018-01-16 Babylon Revealed is an epic journey of Gods plan of salvation for mankind The journey begins with Gods call to Abraham to come out of Babylon and settle into the land of Canaan The book examines Satans efforts to mislead humanity into apostate worship which began in this region From the historical record the book takes the reader on a journey through time and ends in the same place where the journey began Civilization began in Babylon and will end in Babylon the Great Apostate worship will ultimately lead to the destruction of the world God from the beginning knew the future and numbered the days of Babylon and Satans kingdom on earth Satan opposes God in order that he may continue to exist and remain in the world by separating the Creator from His creation Satan is allowed to continue to exist through mankinds choice to remain apart from the Lord This book reveals Gods mysteries and warnings about mankinds ultimate fate which is found in the prophetic books of the Bible Mans only hope is in the Lord Jesus Christ who will in the end of time triumph over the forces of evil and establish Gods kingdom on earth Breakthrough Analysis of Daniel's Prophecies R. Allan Dermott, 2023-04-16 Have you ever thought about the possible relevance of Bible prophecies to our lives today In this book you will find new perspectives to consider on the prophecies of Daniel and related history These viewpoints may lead to seeing our world in a different light

Stepping away from preconceived ideas about prophecies in general and Daniel's visions in particular give new perspective based on decades of study prayer and insightful contemplation. Compelling insights bring to light precisely how these prophetic dates are interrelated how they have significant meaning and may have implications for our lives today. Even though the Biblical book of Daniel was written millennia ago interest in its meaning for faith and the heart remain. A broader perspective and the lens of history brings additional context and reconsideration to earlier interpretations. Without these perspectives some tended to have been taken piecemeal out of context or viewed without an understanding of the role of each element in their interrelation to the whole. This book reexamines many of these and more and based upon a review of literature no book is found that matches the comprehensive nature regarding each of Daniel's nine prophetic spans. Dr Dermott brings out the meanings behind each date and he correlates Biblical authorities with each other and with further compelling and original research. The narrative invites you to join this exciting journey and experience the exceptionally detailed unfoldment from each beginning prophetic date to its undeniable fulfillment in history.

Faith Gerrit Immink, 2005 Addressing faith as it is lived rather than as a system of doctrine F Gerrit Immink emphasizes that having faith means more than assenting to certain opinions about God it involves a dynamic relationship or dialogue with God As he investigates the practice of faith Immink holds together the poles of divine activity and human experience external Word and indwelling Spirit At its heart this book is about God How can faithful people speak about God and understand God's presence Well versed in both philosophical analysis and the theological tradition the author argues for an understanding of God as a speaking acting person genuinely experienced in faith In so doing he issues a compelling plea to reevaluate the theoretical foundations of practical theology Applying his work particularly to the theories of preaching and pastoral care Immink brings to bear insights garnered from years as an academic theologian as the dean of a theological seminary and as a minister Scholars ministers and seminary students alike will benefit from his careful reflections on the Christian life of faith
