Saunders, 2010 This study looks at a wide range of medieval English romance texts including the works of Chaucer and Malory from a broad cultural perspective to show that while they employ magic in order to create exotic escapist worlds they are also grounded in a sense of possibility and reflect a complex web of inherited and current ideas Book Jacket

Nomad Codes Erik Davis, 2011-01-31 In these wide ranging essays Erik Davis explores the codes spiritual cultural and embodied that people use to escape the limitation of their lives and enrich their experience of the world These include Asian religious traditions and West African trickster gods Western occult and esoteric lore postmodern theory and psychedelic science as well as festival scenes such as Burning Man of which Davis is the best known chronicler Articles on media technology further explore themes Davis took up in his acclaimed book *Techgnosis* while his profiles of West Coast poets musicians and mystics extend the California terrain he previously mapped in *The Visionary State* Whether his subject is collage art or the magickal realism of horror writer H P Lovecraft transvestite Burmese spirit mediums or Ufology tripster king Terence McKenna or dub maestro Lee Perry Davis

writes with keen yet skeptical sympathy intellectual subtlety and wit and unbridled curiosity The common thread running through all these pieces is what Davis calls modern esoterica which he describes in his preface as a no man s land located somewhere between anthropology and mystical pulp between the zendo and the metal club between cultural criticism and extraordinary experience whether psychedelic or yogic or technological Such an ambiguous and startling landscape demands that the intrepid adventurer shed any territorial claims and go nomad Davis wanders with sharp eyes and an open mind which is why Peter Lamborn Wilson calls him the best of all guides to modern American spirituality *The Line Of Mercy* Tarun J Tejpal,2022-03-22 In the thick air of a coastal town inside the iron bars manufactured by the laws of men life explodes with tropical ferocity Inferno purgatorio paradiso and limbo always limbo come together in a frantic soup of sadness and madness More truths and revelations are laid bare than can be claimed by any courtroom or church In his new novel Tarun J Tejpal takes the darkest of human material and unearths in it the unstoppable surge of the human spirit Writing in his inimitable tragicomic style he creates a spellbinding world of extraordinary characters and stories never encountered before The Line of Mercy is an epic and utterly original addition to the universal literature of crime and punishment
