It's about self-worth. You'll also face the mindset blocks that keep you micromanaging, people-pleasing, or avoiding structure. Because deep down, many of us are scared to let go, even when letting go is the key to growth. When your income doesn't depend on your energy, you get to choose where to pour that energy: Into rest. Into art. Into impact. Into life. This isn't a passive income hype. This is sustainable, soul-aligned infrastructure that frees you up to do more of what you love and finally stop trading hours for everything.
