Upside Down Zen Finding The Marvelous In The Ordinary:

Upside-Down Zen Susan Murphy, 2006-11-13 Upside Down Zen invites readers to explore the vivid spirit of Zen Buddhism in fresh ways Recalling in another vein the warm lyrical style of Lin Jensen s *Bad Dog* author Susan Murphy offers a multifaceted take on the spiritual grounded in the everyday She uses her skills as storyteller filmmaker and poet to uncover the connections between Zen and Western cinema as well as between Zen and traditions as diverse as Australian aboriginal beliefs and Jewish folktales In the process she finds spirituality where it has always belonged wherever life is happening Murphy helps readers make sense of Zen koans the often oversimplified and misunderstood teaching stories of the tradition and highlights their wisdom for any reader on the spiritual path A strong new voice in Western Buddhism Murphy speaks for the many unrecorded women of Zen while bringing a lively literate approach to a sometimes daunting genre *Awaken Our Spirit Within* Patsie Smith, 2013-02 In *Awaken Our Spirit Within A Journey of Self Realization and Transformation* author Patsie Smith exposes the state of the human spirit Our innate longing is to awaken from our spirit s slumber and to live true to our spirit s journey Her words flow from our universal essence that we can hear and recognize with our hearts and she conveys truth in clear comprehensible language Wisdom and clarity naturally become our path and our reality toward unconditional love true happiness and peace The awakening and growth of our inner spirit is the key to the end of fear ignorance and suffering The author is not affiliated with any particular belief system or religion seeking instead to offer pure and universal wisdom She offers the truth of our divinity within to all who seek their own ultimate reality and who are on the path of inner growth toward freedom from suffering and transcendence into inner peace She presents spirituality in the context of all areas of our practical lives and the choices we make toward transformation *Awaken Our Spirit Within* seeks to convey the crucial need to wake up to our true selves and make conscious choices on the human journey It is only through our own individual awakening and living of our spirit s journey that true peace freedom and unity filters collectively into the transformation of our lives and our world *Zen Traces* Kenneth Kraft, 2018-06-05 As Zen takes root in the West new forms arise For centuries Zen masters have tested their students with koans and capping phrases A koan is a spiritual paradox that must be solved intuitively A capping phrase is a trenchant comment Both are meditative practices that reveal deeper truths about the self and ideally lead to enlightenment In *Zen Traces* Buddhist scholar Kenneth Kraft plays off these practices in a new idiom He selects passages from four sources traditional Zen present day Zen Henry David Thoreau and Mark Twain When a koan like story about a contemporary Zen teacher is paired with a pithy comment by Mark Twain something fresh emerges In this lovely book Ken Kraft provides a unique opening for American Buddhism and American wisdom in general The reader will come to fresh and spacious new insights and enjoyments Cheers for Zen in America and a deep bow to Ken Kraft POLLY YOUNG EISENDRATH Ph D author of *The Present Heart A Memoir of Love Loss and Discovery* I highly recommend this delightful book of East West wisdom full of surprise insight wit and piercing beauty KATY BUTLER author of
