Upward Outward Inward:

Upward, Outward, Inward Mitsuo Fukuda, 2010-06-28 What would happen if God were to bring ten new believers into the Church in a single day Would we be able to disciple them What if it were a hundred people in a week Do you think it is possible to receive a thousand new believers a month If a million people were saved would the Church be ready to disciple them The Lord wants us to prepare workers for the harvest people with a simple message of love and service who can pass that message on If we want to see many many people come to Christ then we will need to find a way for them to be disciplined and to become disciplers This book from the Japanese house church provides one way for any Christian to become a discipler it gives simple practical ways to live out the Gospel to explain the Gospel and to pass the baton of discipleship on to others

Upward, Inward, Outward Daniel Fusco, 2017 This book is about discovering together how to understand and live the Greatest Commandment We're not after the art of thinking about God a little differently We're here to uncover the needs God created within us needs for meaning intimacy honesty humility justice compassion and more and how he designed us to find those needs fulfilled in him This is the art of living Jesus spirituality God gives us the key in the Greatest Commandment but we've got to do this stuff in the right order Imagine I invite you to my sweet cabin by the lake To start hanging out in that cabin you need to get the key from me pack your car follow the GPS and so on There's a natural order to it It's the same with the Greatest Commandment We begin upward with loving God The God God of the Old Testament God of the New Testament God the Trinity Father Son Holy Spirit We continue inward with understanding our true identities in Jesus And when we get those things right God's Spirit sends us outward on mission into the world These three movements upward inward and outward mirror the Greatest Commandment and help us learn the art of living harmoniously together in a chaotic world

Upward, Inward, Outward, Forward Jim Egli, 2007-01-01 The four dynamics that form the basis of thriving life giving small groups This workbook is the syllabus for a one day workshop that include the whole small group not just your leaders During the workshop group members work as a team to develop a four month calendar of events to dramatically increase the levels of prayer community evangelism and discipleship

Inward Outward Upward Art Sathoff, 2016-01-18 I was at an annual assembly of the Christian Church Disciples of Christ years ago and the theme was Inward Outward Upward At the time that denomination was doing some soul searching and restructuring as a result of economic difficulties and the theme provided an entry point for examining the inner workings of the church the church's relationships with those outside the church and denomination and with our Father above The day I began this book years after the church assembly I referred to the same theme to describe efforts to bring community leaders representing different groups and institutions together These leaders each have to focus inward to run their organizations effectively but they can't afford not to have an outward focus on other organizations and they also focus upward as they seek

to craft stronger organizations for community progress and the good of their citizens I am a big believer in reflection and introspection I have referred to the inscription above the Oracle at Delphi in ancient Greece before Know Thyself I believe we have to be at peace with ourselves and take care of the inward before we can be much good to others but the longer I live the more I realize that we really need to cultivate the outward too Granted my chosen professions of teacher coach school administrator and pastor are much more relationship driven than some other occupations Still I believe that happy and productive people understand the power of relationships and have mastered the outward For me personally the inward and outward have been enhanced tremendously by a focus on the upward My Christian faith has brought about positive changes in my life benefiting both the inward and outward I m sure there are other higher causes that provide upward benefits for people too This book is going to be an exploration of the inward outward and upward It is organized into three parts containing six exhortations each Each of the six exhortations is a chapter relating a theme that runs inward outward and upward through all three parts of the book At the risk of confusing the reader I ll share that I wrote Chapter 1 in each section before going on to Chapter 2 and so on If you don t mind turning back and forth between inward outward and upward you can read it in the order I wrote it Otherwise you can read it section by section The best thing that could happen with this book is that someone would read it and benefit from it If you find the book helpful or want to discuss the book please feel free to email me at sathofar gmail com Enjoy
