Indian Motorcycle Darwin Holmstrom, 2020-11-17 This officially licensed 120th anniversary edition of Indian Motorcycle tells the complete story of Indian Motorcycle America's first mass produced motorcycle maker from its start as a bicycle manufacturer to the purchase of the brand by Polaris Industries in 2011 and the subsequent new Indian motorcycles updated to include new photography the story of the latest models including the FTR1200 Chieftain Challenger and Roadmaster and Indian Motorcycle's return to racing In the early years of the 20th century Indian Motorcycle dominated the world's racetracks and showrooms earning the brand a worldwide reputation for quality performance reliability and technical innovation with such classic machines as the Chief Scout and Four But the once mighty company fell on hard times and in 1953 was forced to file bankruptcy The Indian Motorcycle brand never quite died however thanks in large part to fanatically devoted enthusiasts who tried to resurrect it for over half a century Finally Polaris maker of the highly regarded Victory brand of motorcycles purchased the brand and released the Chief and Scout models that once again restored Indian Motorcycle to its rightful place in the motorcycle pantheon Indian Motorcycle is the most complete and up to date history of this classic American motorcycle
