Wild Horizon (Beyond Limits Book 1) Robert Appleton,2022-05-03 When a series of late winter storms hits the annual Iditarod sled dog race in Alaska bush pilot Ben Helm gambles on a break in the weather to fly two dropped dogs and two race personnel to the checkpoint at Unalakleet But the conditions worsen and a catastrophic mid flight accident forces Ben to ditch on the landfast ice somewhere in the Bering Sea Stranded with no communications and only limited supplies the three survivors with their two canine companions must try to ride out the storms and stay alive long enough for a rescue party to find them Katja a young sick trainee vet from Norway and Obie an optimistic race judge come to rely on Ben s survival grit and knowhow Despite a personal childhood tragedy he s never forgotten the vital lessons his mother taught him But the frozen wild is an unforgiving place A series of fateful events encounters and opportunities forces the survivors to repeatedly take all or nothing risks to reach civilization A lost musher and her team provide much needed dog power but no bearings Meanwhile a lone hunter who comes to their aid might not be who he says he is And with seemingly no end to the tundra the wild horizon dares man and dog alike to dig deep in order to survive the trek of their lives **Walking Tall In Tough**

Times GREAT IGWE,2019-07-30 Out of nowhere the storms of life hit us without warning The loss of a loved one a broken relationship loss of a job and properties A terrible accident illness or the failure of a business This is tough challenges that people all over the world are being confronted with daily in their respective life We don t have the power to choose what happens to us neither can we as humans choose the nature and severity of the problems and challenges that confronts us every day But one thing we sure can do and has the power to control is the way we respond to these challenges and how we fight through it Life is like an ocean and every one of us are born sailors sailing through this ocean Everybody shall one day encounter a storm be it the wealthy the educated the poor the uneducated the single or married the sick or healthy The storms of life is not a respecter of race religion or country of birth but rather a respecter of courage boldness persistent firmness of purpose and positive attitude Walking tall in tough times is a book that will certainly arm and spur you to take tough decisions and actions necessary to bring about a change in your life It will also help you change your negative perceptions and response to the challenges you are going through and put you on a part to true success The principles and practical steps that are outlined in this book is not based on head knowledge but rather are founded on experiential knowledge and scriptural examples that will certainly leave transformed This book will undoubtedly stir you to leave your comfort zone to your rightful place of influence and power It will forge you to become uncomfortable with mediocrity and average existence Buckle up as I take you through this journey of self freedom and reawakening Happy read **The**
