Vietnam Today A Guide To A Nation At A Crossroads:

Vietnam Today Mark A. Ashwill, 2011-01-11 Pulsating with energy and steeped in dreams Vietnam stands at a crossroads Located in the geographical center of Southeast Asia Vietnam is a complex mixture of the ancient and the modern A Soviet style legacy contrasts with an emerging Western style market economy Vietnam is faced with pressing political social and economic challenges and yet it is full of hope and potential Here is a first look at Vietnam in the twenty first century a nation undergoing rapid change and opening up to the world Dr Mark Ashwill paints a broad picture of Vietnam past and present and explores today's defining issues Readers come to understand how a two thousand year history of foreign invasion occupation and war has deeply influenced the Vietnamese character The Chinese French and U S Americans have all left their imprint Yet the struggle against oppression has infused the Vietnamese with a fierce spirit of nationalism and caution in their dealings with foreigners Building relationships and trust as a prelude to doing business are critical to the Vietnamese whether at home or abroad *Vietnam Today* reveals the most prominent characteristics of the Vietnamese their energy and drive the dominance of group over individual and the paramount importance of maintaining harmony In doing so Ashwill and his Vietnamese contributor shed light on many sources of misunderstanding between Vietnamese and Western professionals But for those who are prepared to take the time to get to know the people to move at their pace and to learn about their culture and history Vietnam can be a land of promise and opportunity [Vietnam - Culture Smart!](#) Geoffrey Murray, 2016-01-07 At head of title on cover The essential guide to customs culture *Serving Library Users from Asia* John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author's 15 years of research and travels
