Novels Michael Pawuk, David S. Serchay, 2017-05-30 Covering genres from adventure and fantasy to horror science fiction and superheroes this guide maps the vast terrain of graphic novels describing and organizing titles to help librarians balance their graphic novel collections and direct patrons to read alike. New subgenres, new authors, new artists, and new titles appear daily in the comic book and manga world, joining thousands of existing titles, some of which are very popular and well known to the enthusiastic readers of books in this genre. How do you determine which graphic novels to purchase and which to recommend to teen and adult readers? This updated guide is intended to help you start, update, or maintain a graphic novel collection and advise readers about the genre. Containing mostly new information as compared to the previous edition, the book covers iconic super hero comics and other classic and contemporary crime fighter based comics, action and adventure comics including prehistoric heroic explorer and Far East adventure, as well as Western adventure, science fiction titles that encompass space opera, fantasy, aliens, post apocalyptic themes, and comics with storylines revolving around computers, robots, and artificial intelligence. There are also chapters dedicated to fantasy titles, horror titles such as comics about vampires, werewolves, monsters, ghosts, and the occult, crime and mystery titles regarding detectives, police officers, junior sleuths, and true crime comics, on contemporary life covering romance, coming of age stories, sports, and social and political issues, humorous titles, and various nonfiction graphic novels.

Adventures in Graphica Terry Thompson, 2023-10-10 Graphica is a medium of literature that integrates pictures and words and arranges them to tell a story or convey information, usually presented in a comic strip, periodical, or book form. AKA comics. It's no surprise comics have long been popular with kids and adults; some of our greatest heroes were introduced to us in comic form. Drawing on his own success using graphica with elementary students, literacy coach Terry Thompson introduces reading teachers to this popular medium in *Adventures in Graphica: Using Comics and Graphic Novels to Teach Comprehension, Grades 2-6*. In his book, Thompson explains how graphica can be an engaging and motivating tool for reluctant readers who often shun traditional texts. He suggests sources of appropriate graphica for the classroom and demonstrates how to fit this medium into the literacy framework and correlates with best practices in comprehension, vocabulary, and fluency instruction. *Adventures in Graphica* contains numerous easy-to-replicate instructional strategies, including examples of how graphic texts can be used to create a bridge and students transfer abstract comprehension strategies learned through comics and graphic novels to traditional texts. It is an excellent roadmap for teachers looking to add graphica to their classrooms.

Readers' Advisory for Children and 'Tweens Penny Peck, 2010-04-09 This complete guide to youth readers advisory covers genres, reading interests, and issues, as well as provides lists of sample titles and recommended reading. Finding children and tweens' great books to read is still a key library service, even in the age of computers. *Readers' Advisory for Children and Tweens* is an easy-to-use, practical guide that will help any library staff member become more comfortable offering this service and more adept at producing satisfying results. Beginning with basic advice on the readers advisory interview, the book details how to find books for different age

groups including young children and their parents emergent readers transitional readers and adept readers It explores genre fiction for tweens nonfiction poetry and folklore and graphic novels and it offers techniques on promoting books and reading Potentially sensitive issues such as book challenges assisting English language learners serving children from various cultures working with teachers and helping reluctant readers are addressed as well The advice is augmented with handy booklists and descriptions of dozens of websites that aid in youth readers advisory

When the Past Is a Present Jimmy Gownley, 2010-01-26 Originally published individually by Renaissance Press in 2008 Colophon [The Librarian's Guide to Graphic Novels for Children and Tweens](#) David S. Serchay, 2008 A guide to graphic novels for children and pre teens offers historical and genre information provides collection building tips and discusses how to manage promote and maintain the collection
