Barton Gaskell's first novel originally published anonymously in 1848 established her reputation as a champion of the working class. Set in Manchester where the author herself settled as the wife of a progressive preacher, it concerns the trials and tribulations of two poor families, the Bartons and the Wilsons, and a tragedy that cements their joint fate and highlights the class divide in highly stratified Victorian society. Friend and literary companion to the likes of Charles Dickens and Charlotte Brontë, the latter of whom Gaskell wrote an acclaimed 1857 biography, Gaskell is today being restored to her rightful place alongside them. This charming replica volume is an excellent opportunity for 21st century fans of British literature to embrace one of its most unjustly forgotten authors.

Mary's Son Frank Durham, 2016-11-28 Mary's Son is a fictional account of how Mary, the mother of our Savior, dealt with the challenges of his three-year ministry. She not only had to deal with the daily rejection of the people in the village of Nazareth but also the doubts of her children. Who is this young carpenter who left his mother in the olive grove to go off and find his cousin John, who claims to be the forerunner of the Messiah? Mary is aware that he is God's son and that he is destined for something special. But what is God's plan for him? What does she tell her close friends and neighbors who love and support her? How does she convince her children to continue to have faith when their brother is performing miracles and claiming to be the Messiah? And how does she, as a mother, deal with the religious leaders' rejection of him and threats to kill him? Finally, how does she cope with his trial before the Sanhedrin and Pilate, along with his flogging and crucifixion? This book is a sequel to my first book, *Joseph the Carpenter from Nazareth*. Both books are my perception of what took place during Jesus's family life and his ministry's impact on his mother and siblings. Because this book is work of fiction, I have paraphrased most of the scripture used. I encourage my readers to read all four of the Gospels because I intentionally left out most of the scripture where Jesus is speaking only to his disciples.
