The Inside-Out Makeover Andrea Clark, 2005-06. Acupuncture, Homeopathy, Yoga, and Meditation: what could they possibly have in common? Each has the ability to bring those who receive them to a deeper sense of inner balance, contentment, and self-acceptance. The road to perfection is strewn with makeovers gone bad. Although perfection is the goal, outer change may not be the way to achieve it. Altering small pieces of the outside often leaves the inner self unchanged. In an easy-to-understand question and answer format, *The Inside Out Makeover* introduces ten tools which, when used alone or in combination, allow the participant to achieve permanent inner transformation. A new, more positive perception of the world begins to emerge when healing the whole self becomes the goal. The need for outer perfection is not so important when inner contentment reigns. Discover ways in which counseling releases you from negative patterns; acupuncture and homeopathy dig to the root of the problem to cure chronic illness; herbal remedies release deep-seated toxins. Share in case studies which demonstrate clients' personal journeys to inner health. Use the resources to delve deeper into preferred tools. Finally, pack your bag with those personal tools which achieve the ultimate makeover: love of self.
