Schlafer, 1998-01-25 Schlafer looks at the preacher s task at the high times of the church and the secular year those occasions on which expectations run high and emotions can be intense He explores the temptations and pitfalls of preaching at weddings and funerals baptisms and ordinations civic holidays like Memorial Day and Thanksgiving and the high holy days of Christmas and Easter He also discusses preaching at times of tension and conflict in the church the responsibilities of a guest preacher and how to handle preaching missions and retreats Included in each chapter are helpful summaries of what to include and avoid in sermon preparation as well as excerpts of sermons illustrating the principles he outlines **Sermons on special occasions such as weddings, funerals, dedications and other events** Carl Ferdinand Wilhelm Walther, 2008 Collected from his writings in *Lutherische Brosamen* 1876 *Ansprachen und Gebete* 1888 *Casual Predigten und Reden* 1889 *Festklaenge* 1892 *Graceful Speech* Lucy Lind Hogan, 2006-01-01 In this introductory text Lucy Lind Hogan helps the reader understand the theological task of becoming a preacher the craft of writing the sermon and the importance of communicating the gospel in the present world In doing so she creates a book that is more holistic than any other homiletics text currently on the market Hogan begins with a theological rationale for preaching which serves as a basis for understanding the identity of the preacher She then explores the context for preaching showing how to interpret a scriptural text design a sermon and use illustrations and examples She also discusses preaching for special occasions the use of different technologies in preaching and the importance of delivery This book includes questions for reflection **New Proclamation Commentary on Feasts, Holy Days, and Other Celebrations** Bill Doggett, Gordon W. Lathrop, 2007 New Proclamation Commentary on Feasts Holy Days and Other Celebrations continues the tradition of excellent biblical commentary that users of the seasonal New Proclamation volumes have come to expect This volume offers essential historical background about each of thirty five so called lesser feasts and places each day into the context of the church year Quotes related to the festival day from prayers liturgies and other sources have been included to help enliven the sermon and

Developing Faithful Ministers Tim Ling, 2013-01-25 *Developing Faithful Ministers* aims to support the work of all those involved in supervision and training relationships within the Church The Church recognising its call to serve God and the nation seeks to equip and develop its ministers to face the challenge of ministry in a society at the threshold of Christendom that is in a mission context It is a context where both the general public and the institutional church have significant expectations of those in ministry Indeed there is now an expectation of demonstrable capability prior to being licensed to any form of permanent tenure The demand for more professional demonstrably capable mission able and collaborative licensed ministers places particular weight on the efficacy of the initial training relationship *Developing Faithful Ministers* seeks to support those who find themselves in these relationships by offering both models of good practice and sustained theological reflection on what these drivers mean for developing ministry
