Bolles, 1843 A History of the Episcopal Church Schism in South Carolina Ronald James Caldwell, 2017-08-09 In 2012 the Episcopal Diocese of South Carolina declared its independence from the Episcopal Church It was the fifth of the 111 dioceses of the Church to do so since 2007 A History of the Episcopal Church Schism in South Carolina is the sweeping story of how one diocese moved from the mainstream of the Episcopal Church to separate from the church It examines the underlying issues the immediate causes and the initiating events as well as the nature and results of the schism The book traces the escalating conflict between the diocese and the church that led up to the schism It also examines the legal war between the two post schism dioceses the majority in the independent Diocese of South Carolina and the minority in the Episcopal Church in South Carolina This is the first scholarly history of a diocesan schism from the Episcopal Church It is extensively researched from original and secondary sources and documented in over 2 000 notes citing nearly 900 works This story stands as a cautionary tale of what happens in a major Christian denomination when majority and minority factions increasingly differentiate themselves and what impact that can have for both parties **Missionary Society of the**

Hymns for the Use of the Methodist Episcopal Church Methodist Episcopal Church, 1857 For the Union of Evangelical Christendom Allen C. Guelzo, 2010-11-01 American Episcopalians have long prided themselves on their love of consensus and their position as the church of American elites They have in the process often forgotten that during the nineteenth century their church was racked by a divisive struggle that threatened to tear apart the very fabric of the Episcopal Church On one side of this struggle was a powerful and aggressive Evangelical party who hoped to make the Episcopal Church into the democratic head of the sisterhood of Evangelical Churches in America on the other side was the Oxford Movement equally powerful and aggressive but committed to a range of Romantic principles which celebrated disillusion and disgust with evangelicalism and democracy alike The resulting conflict over theology liturgy and above all

culture led to the schism of 1873 in which many Evangelicals left the church to form the Reformed Episcopal Church For the Union of Evangelical Christendom tells this largely forgotten story using the case of the Reformed Episcopalians to open up the ironic anatomy of American religion at the turn of the century Today as the Episcopal Church once again finds itself enmeshed in cultural and religious crisis the remembrance of a similar crisis a century ago brings an eerily prophetic ring to this remarkable work of cultural and religious history A New Conversation Robert Boak Slocum,2018-02-22 In these twenty nine essays Episcopalians consider the tradition and the future of their church its theology its polity its missiology These new conversations come from ministers of every order bishop priest deacon laity and from practiced hands at many ministries education theology music chaplaincy and spiritual direction Several essayists write urgently that the Episcopal Church must change if it is to survive Others contend with equal fervor that American Anglicanism can work if Episcopalians will reclaim and reaffirm their liturgical spiritual and theological heritage Between these views are other writers who suggest that points of supposed opposition might indeed coexist in the church of the future taking vibrant and perhaps paradoxical new forms *Connecting to God* Corinne Ware,1997-08-01 Although spiritual growth occurs within an individual Ware explains that it is the calling of the congregation to be a community of support and encouragement Indeed it is amidst the support of a group that an individual learns how to live out personal faith Ware provides a very practical and accessible model of spiritual formation for self directing groups that can be led by clergy or laity Includes thorough guidelines do s and don ts and ground rules for the successful pursuit of spiritual growth in small groups **From Pentecostal to Episcopalian** John Guice,2010-08 not a seminary text book but an excellent book which is appropriate for lay preacher preparation church officer training group study and individual reading a point of view which is highly relevant in today s cafeteria worship Rev John B Rogers Jr Montreat NC some really good stuff here Written to the level of the person who sits in the pew each Sunday this book speaks to a generation that may rightfully fear for their worship tradition Rev Spencer Murray Shreveport LA From Pentecostal to Episcopalian raises issues which should be of interest to all Christians regardless of worship tradition a useful study guide appropriate for all lay persons Rev John Albright Winnsboro LA It is a long road which separates Pentecostals from Episcopalians Yet both denominations and all the churches in between claim allegiance to Jesus Christ as Lord and Savior The worship styles cover the gamut from the free wheeling spontaneous worship of the low churches to the set order of worship of the high churches dating back for centuries All these churches in some fashion or the other claim kinship to American Protestantism Why do Baptist in every worship service extend an invitation to come and be saved Why do Presbyterians and Lutherans seem so staid and rigid Why do Methodist appeal to what s in your heart and why do Episcopalians seem so much like the Catholics Why do Pentecostals and non denominational churches reject the worship traditions of the ancient church In From Pentecostal to Episcopalian the author traces the development of worship and attempts to provide answers as to why Christianity seems more divided than ever before John Guice is a teacher in a long line

of educators Having taught Sunday School classes for over forty years John is also an accomplished lay preacher having filled the pulpit of many of the Presbyterian churches in North Louisiana and South Arkansas He is in demand as a leader of officer training events in many local churches and has served his denomination at every level of church government His particular interests are in the fields of theology and church history In addition John has served on the mission field in Haiti having most recently gone to Haiti some six weeks after the earthquake Here on the mission field he works with Living Waters for the World to install water purification systems for people who desperately need clean water
