What You Heard Is Not What I Meant:

What You Heard Is Not What I Meant! Leroy Lakey, 2015-01-18 There is an old quotation which has been attributed to Alan Greenspan that says I know that you believe that you think you understand what you thought you heard me say but what you don't realize is that what you heard is not what I meant I quite often am reminded of this quote especially in my trying to understand the Bible and in my relationship to God

Communication and the Human Condition W. Barnett Pearce, 1989 Starting with the premise that we live in communication rather than standing outside communication and using it for secondary purposes Pearce claims that people who live in various cultures and historical epochs not only communicate differently but experience different ways of being human because they communicate differently This century he notes ushered in the communication revolution the discovery that communication is far more important and central to the human condition than ever before realized Essential to the communication revolution is the recognition that multiple forms of discourse exist in contemporary human society Further these forms of discourse are not benign they comprise alternative ways of being human Thus communication theory must encompass all that it means to live a life the shape of social institutions and cultural traditions the pragmatics of social action and the poetics of social order
