AN INTERPRETATION
AND DEFENSE OF
JUSTICE AS FAIRNESS

JON MANDLE

Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness

Michael Reisch

Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness:

What's Left of Liberalism? Jon Mandle, 2000-03 The left's reluctance to embrace political liberalism is based in part on the persistent misunderstandings of justice as fairness In *What's Left of Liberalism* Jon Mandle provides a systematic overview of the theory discussing its basic structure and describing the models of society and the person as well as the idea of public reason that it supports Mandle also considers the challenges posed to political liberalism by communitarianism and postmodernism offering critiques of theorists such as Edmund Burke Michael Oakeshott and Roger Scruton and Jacques Derrida Richard Rorty and Michel Foucault Scholars will find Mandle's arguments thought provoking while students will find his clarification of Rawls a useful supplement to the original texts **John Rawls, A Theory of Justice** Otfried Höffe, 2013-07-25 Essential reading for all who are interested in mid century western political philosophy and the philosophy of John Rawls especially his seminal text *A Theory of Justice* *Reflections on Rawls* Shaun P. Young, 2016-04-08 The late John Rawls was one of the most inspiring provocative and influential political philosophers of the twentieth century In this collection a panel of distinguished political philosophers critically explore the intellectual legacy of Rawls The essays herein engage Rawls's political theorizing from his earliest published writings in the 1950s to his final publication in 2001 *Justice as Fairness A Restatement* and explore a diversity of issues related to his arguments such as the attractiveness of his methodology methodologies and the normative coherence and empirical validity of his claims In turn the effectiveness both of his arguments and those of various supporters and critics are evaluated from the perspective of a variety of analytical approaches including cosmopolitanism communitarianism perfectionism liberalism and legal theory This book is an edifying and engaging dialogue with ideas and arguments that have provided the theoretical framework for much of contemporary political philosophy and a thoughtful assessment of their continuing significance and place within the pantheon of political philosophy **Liberalism Versus Conservatism** François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what do these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author [Rawls's 'A Theory of Justice'](#) Jon Mandle, 2009-10-15 This book reconstructs Rawls's argument as well as discussing some of the most influential criticisms in the secondary literature **A Companion to Rawls** Jon Mandle, David A. Reidy, 2015-11-23 Wide ranging and up to date this is the single most comprehensive treatment of the most influential political philosopher of the 20th century John Rawls An unprecedented survey that reflects the surge

of Rawls scholarship since his death and the lively debates that have emerged from his work Features an outstanding list of contributors including senior as well as next generation Rawls scholars Provides careful textually informed exegesis and well developed critical commentary across all areas of his work including non Rawlsian perspectives Includes discussion of new material covering Rawls s work from the newly published undergraduate thesis to the final writings on public reason and the law of peoples Covers Rawls s moral and political philosophy his distinctive methodological commitments and his relationships to the history of moral and political philosophy and to jurisprudence and the social sciences Includes discussion of his monumental 1971 book *A Theory of Justice* which is often credited as having revitalized political philosophy *The Cambridge Companion to Rawls* Samuel Richard Freeman,2003 Each volume of this series of companions to major philosophers contains specially commissioned essays by an international team of scholars and will serve as a reference work for students and nonspecialists John Rawls is the most significant and influential philosopher and moral philosopher of the twentieth century His work has profoundly shaped contemporary discussions of social political and economic justice in philosophy law political science economics and other social disciplines In this exciting collection of essays many of the world s leading political and moral theorists discuss the full range of Rawls s contribution to the concepts of political and economic justice democracy liberalism constitutionalism and international justice There are also assessments of Rawls s controversial relationships with feminism utilitarianism and communitarianism New readers will find this to be an accessible guide to Rawls Advanced students and specialists will find a conspectus of developments in the interpretation of Rawls **Beyond Rawls** Shaun P. Young,2002 *Beyond Rawls* engages one of the most provocative and influential developments in contemporary political philosophy Focusing on the idea as opposed to a single conception of purely political liberalism Shaun Young examines the work of a number of prominent political liberals and concludes that as it presently manifests itself the concept of political liberalism cannot achieve its stated goals **What's Left of Liberalism?** Jon Mandle,2000-03 The left s reluctance to embrace political liberalism is based in part on the persistent misunderstandings of justice as fairness In *What's Left of Liberalism* Jon Mandle provides a systematic overview of the theory discussing its basic structure and describing the models of society and the person as well as the idea of public reason that it supports Mandle also considers the challenges posed to political liberalism by communitarianism and postmodernism offering critiques of theorists such as Edmund Burke Michael Oakeshott and Roger Scruton and Jacques Derrida Richard Rorty and Michel Foucault Scholars will find Mandle s arguments thought provoking while students will find his clarification of Rawls a useful supplement to the original texts **Encyclopedia of Global Justice** Deen K. Chatterjee,2012-01-23 This two volume *Encyclopedia of Global Justice* published by Springer along with Springer s book series *Studies in Global Justice* is a major publication venture toward a comprehensive coverage of this timely topic The *Encyclopedia* is an international interdisciplinary and collaborative project spanning all the relevant areas of scholarship related to issues of global justice and edited and advised by leading scholars

from around the world The wide ranging entries present the latest ideas on this complex subject by authors who are at the cutting edge of inquiry The Encyclopedia sets the tone and direction of this increasingly important area of scholarship for years to come The entries number around 500 and consist of essays of 300 to 5000 words The inclusion and length of entries are based on their significance to the topic of global justice regardless of their importance in other areas Political Liberalism Shaun P. Young,2004-08-24 Leading theorists explore the concept of political liberalism **Responsibility and Justice** Matt Matravers,2013-04-24 In this lively and accessible book Matt Matravers considers the role of responsibility in politics morality and the law In recent years responsibility has taken a central place in our lives In politics both Tony Blair and George W Bush have claimed that individual responsibility is at the centre of their policy agendas In morality and the law it seems just that people should be rewarded or punished only for things for which they are responsible Yet responsibility is a hotly contested concept Some philosophers claim that it is impossible while others insist on both its possibility and importance This debate has become increasingly technical in the philosophical literature but it is seldom connected to our practices of politics and the law Matravers asks What are we doing when we hold people responsible in deciding questions of distributive justice or of punishment By addressing this question he not only shows how philosophy can help in thinking about current political and legal controversies but also how we can keep hold of the idea of responsibility in an age in which we are increasingly impressed by the roles of genetics and environment in shaping us and our characters Signs, Solidarities, & Sociology Blasco José Sobrinho,2001-07-17 Signs Solidarities Sociology addresses the formation and fragmentation of identity in today s postmodern world Informed by the conceptual convergence in the theories of Durkheim Peirce Mead and Lacan this book surveys the range of twentieth century sociology to deconstruct those favored nostrums of subjective meaning personal power and autonomous selfhood that comprise its semantics of agency Revealed beneath this semantic screen is the triad of pragmatic codes premodern affiliation modern calibration and postmodern globalization that govern the social construction of the self While the ill comprehended confluence of these three signification codes in the present world situation can indeed fragment personal identity their formal structural linkages as shown in this book may inform a truly postmodern globally applicable science of culture John Rawls Jon Mandle,Sarah Roberts-Cady,2020-06-01 John Rawls is widely considered one of the most important political philosophers of the 20th century and his highly original and influential works play a central role in contemporary philosophical debates This collection of original essays explores the outpouring of scholarship and debate inspired by Rawls s political philosophy Given the vastness of this scholarship this volume aims to provide inroads to its central themes and preoccupations The volume is divided into ten parts exploring ten distinct questions for example Can Rawls s conception of public reason offer determinate answers to major questions of justice Is ideal theory useful or relevant to resolving issues of justice in the nonideal world Are libertarians correct to criticize Rawls s work for failing to prioritize economic liberty When institutions aim at equality what is it that they should seek to

equalize primary goods capabilities or welfare For each question there is an introductory essay providing an overview of the relevant arguments from Rawls s work and the historical contours of the debate that ensued Each introductory essay is followed by two essays written by scholars who take opposing positions which move the discussion forward in a fruitful way This volume provides readers with clear and in depth explication of Rawls s arguments the most important critical dialogue generated in response to those arguments and the dialogue s significance to contemporary politics **Political Theory of**

Global Justice Luis Cabrera,2006-02-03 This book offers a moral argument for world government claiming that not only do we have strong obligations to people elsewhere but that accountable integration among nation states will help ensure all persons can lead a decent life Encyclopedia of Government and Politics Mary Hawkesworth,Maurice Kogan,2013-11-07

This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium

Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage

Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers **Public Reason and Political Autonomy** Blain Neufeld,2022-02-23 This book advances a novel

justification for the idea of public reason citizens within diverse societies can realize the ideal of shared political autonomy despite their adherence to different religious and philosophical views by deciding fundamental political questions with public reasons Public reasons draw upon or are derived from ecumenical political ideas such as toleration and equal citizenship and mutually acceptable forms of reasoning like those of the sciences This book explains that if citizens share equal political autonomy and thereby constitute a civic people they will not suffer from alienation or domination and can enjoy relations of civic friendship Moreover it contends that the ideal of shared political autonomy cannot be realized by alternative accounts of public justification that eschew any necessary role for public reasons In addition to explaining how the ideal of political autonomy justifies the idea of public reason this book presents a new analysis of the relation between public reason and ideal theory by engaging in public reasoning citizens help create a just society that can secure the free compliance of all It also explores the distinctive policy implications of the ideal of political autonomy for gender equality families children and education

Routledge International Handbook of Social Justice Michael Reisch,2014-04-03 In a world where genocide hunger poverty war and disease persist and where richer nations often fail to act to address these problems or act too late a prerequisite to achieving even modest social justice goals is to clarify the meaning of competing discourses on the

concept Throughout history calls for social justice have been used to rationalize the status quo promote modest reforms and justify revolutionary even violent action Ironically as the prominence of the concept has risen the meaning of social justice has become increasingly obscured This authoritative volume explores different perspectives on social justice and what its attainment would involve It addresses key issues such as resolving fundamental questions about human nature and social relationships the distribution of resources power status rights access and opportunities and the means by which decisions regarding this distribution are made Illustrating the complexity of the topic it presents a range of international historical and theoretical perspectives and discusses the dilemmas inherent in implementing social justice concepts in policy and practice Covering more than abstract definitions of social justice it also includes multiple examples of how social justice might be achieved at the interpersonal organizational community and societal levels With contributions from leading scholars around the globe Reisch has put together a magisterial and multi faceted overview of social justice It is an essential reference work for all scholars with an interest in social justice from a wide range of disciplines including social work public policy public health law criminology sociology and education

Philosophical Foundations of Children's and Family Law Elizabeth Brake, Lucinda Ferguson, 2018-03-02 This volume brings together new essays in law and philosophy on a broad range of topics in children s and family law It is the first volume to bring together essays by legal scholars and philosophers for an integrated critical analysis of key issues in this area marking the coming of age of a comparatively new field of family law Debates in children s and family law are at once theoretical and empirical in nature Not only does children s and family law have significant consequences for individuals intimate lives the field s impact on lived experience highlights the socially constructed nature of law Approaching this area of law often involves exploring a legal concept familiar from daily life such as the very notion of marriage or family and examining it within its social economic and historical context The normative basis for law regulating intimate personal and family life extends beyond any narrow legal philosophy or social context to its broader foundations in theories of morality or justice The chapters included bring together a representative and broad range of pieces that engage with long standing and contemporary debates A wide range of perspectives is represented on topics such as same sex marriage polygamy and polyamory alimony unmarried cohabitation gestational surrogacy and assisted reproductive technologies child support parental rights and responsibilities children s rights family immigration religious freedom and the rights of paid caregivers There is also philosophical discussion of concepts such as care intimacy and the nature of family and family law itself

Rawls, Citizenship, and Education Victoria Costa, 2010-09-13 This book develops and applies a unified interpretation of John Rawls theory of justice as fairness in order to clarify the account of citizenship that Rawls relies upon and the kind of educational policies that the state can legitimately pursue to promote social justice Costa examines the role of the family as the first school of justice and its basic contribution to the moral and political development of children It also argues that schools are necessary to supplement the education that families provide teaching the political

virtues that support just social institutions The book also examines the questions of whether civic education should aim at cultivating patriotic feelings and how it should respond to the deep cultural pluralism of contemporary democratic societies

be the Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness eBooks, including some popular titles.

FAQs About Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness Books

What is a Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Whats Left Of Liberalism An Interpretation And Defence Of Justice As Fairness PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have

restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
