Inverted Justice, **The Inverted Pyramid** Emeka Dike, 2010-02-16 The Inverted Pyramid is a spy thriller that ingeniously explores the mind of its main character Zubu while at the same time it reveals Nigeria's socio-political system with the aim of providing much needed answers to the many anomalies that exist in Nigerian society today. It gives an explanation both in political and economic terms for the slow rate of economic development, the very high level of corruption, and the apparent indifference of the Nigerian government to the economic plight of its people amidst so much apparent wealth. It captures the Nigerian psyche explaining what we have all come to recognize as the Nigerian factor. It also unveils a rare insight into the nuances of modern Nigerian society in which money and sex play a pivotal role in the lives of the Vested Interest who are the few who benefit from the status quo at the expense of the greater majority. An entertaining spy thriller with intrigue, espionage, and deception all captured within the cultural, social, and political backdrop of contemporary Nigeria.

Inverted C.I. Beaird, 2022-06-28 Ethan Wright is a normal sixteen-year-old student at Bellport High School. He doesn't have to worry about the day-to-day struggles that the evolutionals in his world have to face just for existing. Or does he? When Ethan accidentally crosses paths with an evolutionary, he's attacked for reasons he doesn't understand, and now he's forced to face the consequences. He's not only having to learn just how misunderstood evolutionals are but also how to exist as one himself as a devastator. Between struggling to control himself, adjusting with recent changes, and finding a place among the general population as well as evolutionals, now he has to worry about the Evolutionals Containment and Executions Unit or ECEU coming after him. His friends Miles and Haley and his new friend Connor will do whatever it takes to give him the support he needs to be able to thrive and survive that is until Ethan finds himself captured and under the control of the ECEU's Aerial Hunting Team's captain Thomas Rhomes. Rhomes has a strong reputation around the ECEU, so when he brings up a plan that would require Ethan to be a new addition to his team, things get really complicated. Whether it's to use him as a tool for finding other evolutionals or as a shield for his team, the idea of adding an evolutionary to their team would provide a unique opportunity for Ethan but only if Ethan is willing to cooperate. Rhomes and his team have a history of dealing with devastators like Ethan, so it's only natural for him to be his handler. With Rhomes's guidance and role as the team's captain, life just gets really interesting for everyone involved. How does Ethan adjust to everything in his new life? *Da Flip Side* Jamie Lowe, 2004 Dana Styles is a young black man who enters the military with a sense of patriotism and duty to his country.
