When Cultists Ask A Popular Handbook On Cultic Misinterpretations:

When Cultists Ask Norman L. Geisler, Ron Rhodes, 1997 Learn to identify and respond to the misuse and misinterpretation of Scripture by cults Understanding New Religious Movements John A Saliba, 2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible The Comprehensive Guide to Science and Faith William A. Dembski, Casey Luskin, Joseph M. Holden, 2021-10-05 Science and Faith Can and Do Support Each Other Science and Christianity are often presented as opposites when in fact the order of the universe and the complexity of life powerfully testify to intelligent design With this comprehensive resource that includes the latest research you ll witness how the findings of scientists provide compelling reasons to acknowledge the mind and presence of a creator Featuring more than 45 entries by top caliber experts you ll better understand how scientific concepts like intelligent design are supported by evidence the scientific findings that support the history and accounts found in the Bible the biases that lead to scientific information being presented as a challenge rather than a complement to Christianity Whether you re looking for answers to your own questions or seeking to explain the case for intelligent design to others The Comprehensive Guide to Science and Faith is an invaluable apologetic tool that will help you explore and analyze the relevant facts research and theories in light of biblical truth **Answering Mormons' Questions** Bill McKeever, Eric Johnson, 1983 The Church of Jesus Christ of Latter Day Saints currently boasts millions of members thousands of missionaries and congregations on every continent as well as in the vast majority of the world s countries It s clear that their influence is still growing in our communities places of business and in the political arena It s also clear that Christians need to be prepared to answer questions from Mormon friends neighbors co workers and from fellow believers as well In this updated and expanded edition of McKeever s popular and practical book authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask With more than six decades of combined experience the authors tackle such tough questions as Why don t you accept Mormons as Christians Do you believe Mormonism is a cult If the LDS church is not true which church is How can you explain the many contradictions found throughout the Bible After offering analysis and responses to these and other questions McKeever and Johnson provide

helpful appendices that summarize Mormon beliefs provide 101 Bible references to use in conversation and expose common logical fallacies Originally published in the 1980s this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons **Apologetics, Mission and New Religious**

Movements: A Holistic Approach Philip Johnson, 2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson's work apart from earlier studies of cults and new religions At the same time his work is innovative in other ways **Is Mormonism Now Christian?** Steven A. Crane, 2010-01-01 For years Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1:19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1:6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter-day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian *What the Bible Really Says?* Thomas A. Howe, 2009-01-01 The study of the End Times has been a popular topic for many years and there are many different positions that are proposed on how to understand the unfolding of God's program The debate over the End Times has often been heated and has failed to showcase the best that Christian scholarship has to offer It sometimes seems like everyone wants to get in on the action and anyone who has an audience can and has put together his thoughts and made his opinions known through the printed page Anyone can publish his views regardless of the level of competency in the original languages his level of hermeneutic ability or his understanding of history or theology In his book *The Apocalypse Code* Hank Hanegraaff declares that his goal is to put hermeneutical tools into your hands so that you can draw from Scripture what God intends you to understand rather than uncritically accepting end time models that may well be foreign to the text It would be extremely helpful for someone to equip readers to be able to make their way through the maze of views *What the Bible Really Says* is a point by point analysis of the arguments of Hank Hanegraaff concerning end times prophecy This book is not an effort to promote one eschatological perspective over another Rather it is an analysis of Hanegraaff's arguments and claims in order to discover whether or not he has succeeded in putting hermeneutical tools into the hands of his readers or whether he has simply added his voice and his opinions to the cacophony of claims and counterclaims *What Did Jesus Mean?* Ron Rhodes, 2003-10-21 Why did Jesus say He would return soon when He hasn't Why did Jesus curse the fig tree and cause it to wither Can faith really move a mountain Although much of the Bible is straightforward Christians and seekers alike are perplexed by some of Jesus' puzzling

statements Noted Bible teacher Ron Rhodes tackles difficult passages to help you get the most out of Christ's teachings and understand what Jesus meant when He said Take up your cross and follow Me Let the dead bury their own dead If your eye causes you to sin pluck it out Blasphemy against the Spirit will not be forgiven In his engaging easy to read style Rhodes provides solid biblical cultural and historical research to help you discover why Jesus said what He did 2000 years ago These new insights will help you capture the heart of Jesus message and draw you closer to Him

Introducing Christianity to Mormons Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism Introducing Christianity to Mormons is the guidebook you need to witness to them Inside you'll find real life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community

New Religious Movements Dereck Daschke, Michael Ashcraft, 2005-06-17 An original collection of primary documents conveying the wide array of ideas connected to new religious movements *New Religious Movements* is a highly unique volume bringing together primary documents conveying the words and ideas of a wide array of new religious movements NRMs and offering a first hand look into their belief systems Arranged by the editors according to a new typology the text allows readers to consider NRMs along five interrelated pathways from those that offer new perceptions of existence or new personal identities to those that center on relationships within family like units to those movements that highlight the need for recasting the social order or anticipate the dawn of a new age The volume includes original documents from groups such as the Unification Church Theosophy Branch Davidians Wicca Jehovah's Witnesses Santeria and Seventh Day Adventists as well as many others Each section is prefaced by a contextual introduction and concludes with a list of sources for further reading *New Religious Movements* offers a rare inside look into the worldviews of alternative religious traditions

Breaking The Apocalypse Code Ph. D., 2007

The Impeccability of Christ Edward Kanniah, 2022-09-30 The following study seeks to investigate the impeccability of Christ from a historical theological position Two camps emerge on either side of the debate Those who hold to the posse non peccare view which is to say ability not to sin otherwise known as the peccability view and those who hold to the non posse peccare view which is to say inability to sin otherwise known as the impeccability view While both camps affirm the sinless perfection of Christ they oppose each other in whether as fully human He could have sinned if He wanted to It boils down to

a case of could have but did not or did not because He could not have It is the view of this thesis that the non posse peccare view squares with both historical and biblical theology A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Reasons for Belief* Norman L. Geisler, Patty Tunncliffe, 2013-02-15 Trusted Theologian Presents a Case for Christian Faith in Easy to Understand Language Seminary professor and bestselling author teams with a seminary trained apologist and teacher to give readers basic solid evidence for the Christian faith This book is ideal for both teens and adults Lay leaders and teachers as well as students will be equipped to explain the basics of Christianity to unbelievers and new believers The accessible and topically organized book is easy to understand and use

The True Jesus David Limbaugh, 2017-04-10 A New York Times Bestseller Who do you say that I am Uttered by Jesus Christ this profound question has presented an age old challenge to believers skeptics scholars and rulers In attempting to answer this question The True Jesus goes straight to the unimpeachable source the books of Matthew Mark Luke and John Only in the Gospels says 1 New York Times bestselling author David Limbaugh do we come face to face with the Son of God Whose sublime teachings miraculous actions and divine essence leap off every page and into our hearts In this book Limbaugh combines the four Gospel stories into a unified account though not he humbly admits a perfect harmony and guides readers on a faith journey through the Four Evangelists testimonies of the life of Jesus Christ Along the way Limbaugh shares his insights on Jesus words and deeds as well as His unique nature as fully human and fully divine In The True Jesus you will learn Why even the apostles failed to completely understand Jesus true identity and mission until after His crucifixion The real basis for the rejection of Jesus message by skeptics in His hometown and elsewhere The historical events preceding Jesus birth that providentially paved the way for Christianity How Jesus message utterly contradicted modern attempts to portray Him as being non judgmental Limbaugh's passion for the Gospels infuses the pages of The True Jesus

which is both a primer for new Bible readers and an outstanding guide to the Gospels for long time believers Who really is the true Jesus Open this book and begin your odyssey toward the answer **Back to the Future** Ralph E. Jr. Bass, Ralph Bass, 2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author s mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something fare different from the usual offerings This book is the result of the author s quest How to Stay Christian in College J. Budziszewski, 2004 The author presents an interactive guide that helps students examine different world views and myths that they may encounter at college giving them the tools they need to meet the challenges ahead *Christianity Among the Religions of the World* Carlos G. Martin, 2007-06-15 This work examines the religions of the world form the particular perspective of Christianity It aims to accomplish a dual goal 1 to provide an introductory review of the historical development of the religions of the world and a description of their belief systems and 2 to explore avenues for an effective Christian witnessing among those who follow them Christianity Among the Religions of the World is appropriate for students and educators in Christian colleges universities and seminaries **Bibliographic Index** , 1998 Bewyse oor die Christelike geloof (eBoek) Josh McDowell, 2005-03-31 Is die Bybel histories betroubaar Is daar bewyse vir Christus se aanspraak dat Hy God is Sal die Christendom sterk bly staan voor die kritici van die 21ste eeu Hierdie omvattende boek bied antwoorde op di vrae en nog baie meer Vandag word daar al meer druk op Christene geplaas om te bewys dat hulle geloof relevant en geloofwaardig is In BEWYSE OOR DIE CHRISTELIKE GELOOF verdedig Josh McDowell op uitmuntende wyse die geldigheid en betroubaarheid van die Bybel Met vernuf en goeie argumentering weerl hy enige kritiek op kernwaarhede en die basiese fundamente van die Christelike geloof soos die maagdelike geboorte die kruisiging en opstanding Met die nuutste navorsing en dokumentering van argeologiese bewyse snoer hy telkens die grootste kritikus se mond In n w reld waar mense al hoe meer twyfel aan die geldigheid van die Christelike geloof die geloofwaardigheid van die Bybel en die genade van God sal die Christen by die lees van hierdie boek opnuut weet en ervaar dat God die almagtige Skepper is van hemel en aarde dat Jesus sy Seun en ons Verlosser is dat ons die reis na die ewigheid onder leiding van die Heilige Gees vol vertroue kan aanpak Die ideale boek vir ingeligte en soekende lesers wat die evangelie met meer vrymoedigheid wil verkondig sonder om vir kritiek terug te deins
