When God Walked The Earth:

When God Walked the Earth Rick Joyner, 2007-08 After creation itself the greatest miracle was when God Himself became a Man and walked upon the earth He did this to show man how to become a new creation ascending into the heavenly realm with a spiritual nature This book one of Rick Joyner's favorites is about this most remarkable time and written from the perspective of both men and angels

When God Walked Among the Nations Michael F. Gleason, 2019-07-01 The following is a brief description of the prevailing spiritual and moral tides that were washing over much of Europe and America in the early eighteenth century God's righteous name had been intolerably dishonored his pure and holy word disregarded by incompetent or unconverted clergy and the human family created to glorify God and enjoy him forever willfully and with abandon gave themselves to all manner of corruption These were despairing times with striking similarities to our present day And yet in the midst of this seemingly hopeless era the omnipotent God did what no man alone could accomplish he restored the honor due to his great name and exalted the power of his holy word through a revival that set ablaze two spiritually parched continents God Walked Among the Nations The pulpit was powerfully revived men and women by the tens of thousands were soundly converted and biblical renewal and social reformation flourished throughout the land Do you wonder if a revival so vast in scope that it produces extraordinary biblical moral and social reformation throughout your nation is even possible If you're pondering this question then it is time to read about the glorious event best known as the First Great Awakening and renew your hope

Watcher's Chronicle 22 When God Walked Through the Matrix Sherridean Abddeen, 2025-10-07 The Frequency of God the Failure of Systems and the Final Calibration of the Soul This Chronicle is not just a collection of insights It is a transmission A sacred reckoning of what it means to remember who you are while walking through a world built on forgetting In these pages we reveal Who God truly is not as an image but as frequency order and presence Why peace was always the most dangerous weapon to the system How frequency became the true language of the New Earth Why murder is wrong not just by law but by universal resonance Why lying fractures timelines and blocks soul memory Why the quiet ones are the real architects Why the dome exists what triggers its collapse and who was sent to stand still until it breaks The purpose of betrayal delays and soul isolation

Heaven Awaits the Bride Anna Rountree, 2013-07-15 While staying at a cabin in the mountains Anna Rountree was caught up in a tremendous vision of heaven While there she was met and taught by the angels around her and Jesus himself In this book Rountree provides readers with a stunning vision of what heaven is like and discusses the correlation between events today and what she saw in the spirit realm Heaven Awaits the Bride is a combination of two previously released books The Heavens Opened and The Priestly Bride which together contain the account of Rountree's visions of heaven Positioned to make the most of the extreme interest in heaven in the marketplace this new book presents the information in an integrative study format interspersing valuable notes within the next pages

The Author of Love Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question that's begging to be answered is Who is God This devotional evolved out of one person's desire to portray God in a truer light In the Book of Job God reprimanded Job's friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought

provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope youll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what youre all about May you understand Gods love for you
