Murder at an Irish Bakery Carlene O'Connor,2024-01-23 Hailed as queen of the cozy police procedural Publishers Weekly USA Today bestselling author Carlene O Connor returns to County Cork in Ireland s lush countryside where locals are simmering with excitement over the reality TV baking contest coming to town until someone serves up a

show stopping murder that only Garda Siobhan O Sullivan can solve Distinctive captivating characters match a gripping plot full of surprises O Connor reinforces her place among the top rank of cozy writers Publishers Weekly STARRED REVIEW In Kilbane opinions are plentiful and rarely in alignment But there s one thing everyone does agree on the bakery in the old flour mill just outside town is the best in County Cork well worth the short drive and the long lines No wonder it s about to be featured on a reality baking show All six contestants in the show are coming to Kilbane to participate and the town is simmering with excitement Aside from munching on free samples the locals including Siobhan get a chance to appear in the opening shots As for the competitors not all are as sweet as their confections There are shenanigans on the first day of filming that put everyone on edge but that s nothing compared to day two when the top contestant is found face down in her signature pie The producers decide to continue filming while Siobhan and her husband Garda Macdara Flannery sift through the suspects Was this a case of rivalry turned lethal or are their other motives hidden in the mix And can they uncover the truth before another baker is eliminated permanently
