Racial Attitudes in

English-Canadian Fiction, 1905-1980 Terrence Craig, 2010-10-30 Racial Attitudes in English Canadian Fiction is a critical overview of the appearances and consequences of racism in English Canadian fiction published between 1905 and 1980

Based on an analysis of traditional expressions in literature of group solidarity and resentment the study screens English

Canadian novels for fictional representations of such feelings Beginning with the English Canadian reaction to the mass influx of immigrants into Western Canada after World War One it examines the fiction of novelists such as Ralph Connor and Nellie McClung The author then suggests that the cumulative effect of a number of individual voices such as Grove and Salverson constituted a counter reaction which has been made more positive by Laurence Lysenko Richler and Clarke The debate between these two sides carried on in fictional and non fictional writing is seen to be in part resolved in synthesis after World War Two as attitudes are forced by wartime alliances and intellectual pressures into a qualified liberalism The author shows how single novels by Graham Bodsworth and Callaghan demonstrated a new concern for the exposure and eradication of racial discrimination an attitude taken further by the works of Wiebe and Klein The book concentrates on single texts that best portray deliberately or not racist ideology or anti racist arguments and attempts to explain the arousal in Canada of such ideas

A History of Canadian Fiction David Staines, 2021-08-05 *A History of Canadian Fiction* is the first one volume history to chart its development from earliest times to the present day Recounting the struggles and the glories of this burgeoning area of investigation it explains Canada's literary growth alongside its remarkable history Highlighting the people who have shaped and are shaping Canadian literary culture the book examines such major figures as Mavis Gallant Mordecai Richler Alice Munro Margaret Atwood Michael Ondaatje and Thomas King concluding with young authors of today whose major successes reflect their indebtedness to their Canadian forbearers
