Purifying the Prophetic R. Loren Sandford,2005-10-01 The western Church has an unhealthy force in her midst warns prophetic pastor Loren Sandford It is a consuming focus on self and it is eroding ministry and blocking revival Sandford speaks to the growing undercurrent of hunger for what is truly authentic He explains the critical need for sacrifice and challenges the church to return to the cleansing power of Jesus blood Readers who long for a return to true faith and genuine prophecy will find their spirits refreshed by this message and see new power and life in ministry Anyone with a heart for prophecy intercession and revival will answer this call to recover biblical focus and rediscover biblical levels of Holy Spirit manifestation

What The Spirit is Saying to the Church Reverend Anthony Kelley,2017-09-25 What the Spirit is Saying to the Church is an apocalyptic view from the letters to the seven churches in the book of Revelation that begins its message to the church admonishing her to return to her first love which she has abandoned The author contends that this first love requirement demands a redirection of priorities for the Twenty First Century Church in the Black Experience It demonstrates how for the love of Christ she must move beyond a limited vision of just a good looking church and satisfaction with old definitions Christ gives a rebuke to the church and a direct warning that if she does not repent and return to her first love he will then remove her lampstand Reverend Kelley s preaching is spiritually sound and intellectually stimulating and challenging and also socially relevant He deeply believes in what I would call a well rounded ministry That is to say that ministry for him involves not only mastering the preached Word but also taking seriously and fulfilling the roles of pastor priest and prophet

REV DR LEWIS V BALDWIN PHD RETIRED PROFESSOR OF RELIGIOUS STUDIES VANDERBILT UNIVERSITY Reverend Kelley is a preacher of the Word His ability to prepare and deliver biblically sound inspirational and

spirit filled sermons is a gift that allows those who hear him to participate in the story of salvation at personal and social levels He is not a closed lip babbler who preaches to itching ears rather he speaks with power and authority under the watchcare of an humble spirit and a disciplined mind REV DR WALTER EARL FLUKER PHD MARTIN LUTHER KING JR PROFESSOR OF ETHICAL LEADERSHIP AND DIRECTOR OF THE HOWARD THURMAN INSTITUTE BOSTON UNIVERSITY SCHOOL OF THEOLOGY

The Church in End-Time Prophecy Curtis Schulze,2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church s obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through *Speaking in the Spirit* Stephen Wexler,2019-07-02 What is the gift of prophecy Does it continue today or did it pass away with the apostles What does it mean to speak in the Spirit Few subjects are more contentious and more misunderstood in the church today This book examines these questions by carefully studying Scripture and the works of the most prominent scholars The conclusions have profound implications for Christian belief and behavior *The Prophetic Revolution* Omaudi Reid,2019-09-28 God s desire to fill the earth with the knowledge of His glory is causing an explosive manifestation of the prophetic gift across the world This prophetic explosion manifests among all ages cultures backgrounds and sexes Beyond the clergy laymen women boys and girls are operating in the gift of prophecy and receiving prophetic revelations Fulfilling the prophecy of Joel 2 28 of a worldwide outpouring of His Spirit a prophetic revolution is taking place God is setting up an army of lay prophets in every region of the earth to ignite revival Bishop Reid expounds on the significance of this revolution and how you and your church can be a part of it The Word and Power Church Douglas Banister,2009-09-03 You don t have to head overseas to find a

war In the church the rhetorical cross fire between evangelical and spirit filled Christians over the past hundred years has been withering No scriptural foundations is the charge evangelicals have leveled at the charismatics No spiritual power the latter have countered The boundaries are clear The positions are taken and guarded Either you re a Word person or a Power person Today though such black and white either or thinking is giving way to the liberty and promise of a Word and Power church Pastor Doug Banister shows why we cannot afford to settle for less It s time to bury our differences which are largely artificial and discover the incredible potential that arises when evangelicals combine their strengths with Pentecostals and charismatics Taking a long careful and honest look at the Scriptures at church history and at the state of the church and the world today Pastor Banister reveals why Pentecostalism and evangelicalism need each other Each tradition possesses strengths that are essential to a balanced life changing faith The Word and Power Church shows how these two mighty rivers add to rather than subtract from each other At the cusp of a new millennium they are in fact merging into one river Word and Power churches may experiences turbulence where the waters meet but they teem with life hope faith and power to reach a desperate world with the Gospel Filled with personal anecdotes this fascinating thought provoking and candid book supplies the why tos and how tos of a Word and Power approach What you won t find is preferential treatment of one view over another What you will find are thoughtful biblical insights that will challenge you and inspire you And you ll discover practical guidance for charting your own course whether as an individual or as a church toward a faith that embraces the truth of the Word and the power of the Spirit As a solidly evangelical seminary graduate and pastor Banister admits to having disdained charismatics That is until meticulous study of God s Word convinced him that miraculous gifts of tongues healing and prophecy are indeed valid for today As he details his journey beyond categories Banister explores the reasons for the age old rift between the two camps and the ways in which healing is taking place in new Word and Power churches all over America When evangelicals and charismatics bring together the best from each tradition he has discovered that the result is a strong unified body Word and Power churches affirm the authority of Scripture and encourage the propheticembrace of those who pray in a spiritual language pursue obedience to Christ edify the believer and evangelize the seeker heal the sick and comfort the suffering The Word and Power Church will speak to Christians everywhere who want to walk in both the integrity of Scripture and the power of the Holy Spirit
