When You Were Here Daisy Whitney:

When You Were Here Daisy Whitney, 2013-06-04 Filled with humor raw emotion a strong voice and a brilliant dog named Sandy Koufax *When You Were Here* explores the two most powerful forces known to man death and love Daisy Whitney brings her characters to life with a deft touch and resonating authenticity Danny's mother lost her five year battle with cancer three weeks before his graduation the one day that she was hanging on to see Now Danny is left alone with only his memories his dog and his heart breaking ex girlfriend for company He doesn't know how to figure out what to do with her estate what to say for his Valedictorian speech let alone how to live or be happy anymore When he gets a letter from his mom's property manager in Tokyo where she had been going for treatment it shows a side of a side of his mother he never knew So with no other sense of direction Danny travels to Tokyo to connect with his mother's memory and make sense of her final months which seemed filled with more joy than Danny ever knew There among the cherry blossoms temples and crowds and with the help of an almost but definitely not Harajuku girl he begins to see how it may not have been ancient magic or mystical treatment that kept his mother going Perhaps the secret of how to live lies in how she died [Moonpies, Fireflies, Some Twisted Dreams, Some Truth, and Some Lies: Book One of Two](#) James (Jim) Linn, 2023-08-22 About the Book In this memoir and bibliography combined with philosophy and short stories James Jim Linn has collected twelve years of quotes from others and how they spoke to him his deep thoughts some poetry and thought provoking memes Linn also shares his observations about life and human nature About the Author James Jim Linn played and managed softball teams both men's and co-ed for forty seven years He now enjoys playing pickleball five days a week In his free time Linn likes to spend time with his family and friends travel to Europe and different cities in the US and learn new things

Breakfast on Mars and 37 Other Delectable Essays Brad Wolfe,Rebecca Stern,2013-06-25 Presents a collection of unconventional essays by leading writers to challenge how students think about essays using imaginative rule breaking and unconventional examples **The Western Christian Advocate** ,1900 *The Mockingbirds* Daisy Whitney,2012-01-02 Some schools have honor codes Others have handbooks Themis Academy has the Mockingbirds From the glossy pages of its admissions brochure the prestigious Themis Academy appears perfect in every way exceptional academics extraordinary students the kind of extracurriculars to make an Ivy League proud and zero instances of student misbehavior But this boarding school isn t as pristine as it appears There s a dark underbelly to the perfect record the Themis administration flaunts Student infractions are rampant and it s up to a secret vigilante society the Mockingbirds to maintain order on campus a responsibility their members take very seriously Alex Patrick never thought she would need the Mockingbirds But when she s date raped by another student she doesn t know where else to go As much as she d like to forget what happened she can t escape the daily reminders of what went wrong that terrible night Before she can summon the courage to take a stand she ll have to accept that her battle for justice is not hers alone Standing up for someone especially yourself is worth the fight **The Last Light over Oslo** Alix Rickloff,2024-08-06 Based on true events this gripping historical novel set in Norway and Sweden in 1940 follows one of the first female US Ministers Daisy Harriman and her niece as the two are unexpectedly caught up in the German invasion of Norway Cleo Jaffray was an American A war in Europe had nothing to do with her She told herself that right up until the man she loved went missing in Poland and Cleo was forced to turn to the only person who might be able to help her aunt Daisy the US Minister to Norway Daisy Harriman has never shied away from a challenge be it canvassing for women s suffrage or driving Red Cross ambulances in WWI so as only the second woman ambassador she is determined to prove the naysayers wrong and succeed in her post When her disgraced niece Cleo lands on her doorstep penniless and demanding help to find her lost lover Daisy must balance her responsibilities as a diplomat with

her desire to help her family Their search for answers is interrupted when Germany invades Norway and the pair find themselves on the run in a countryside that is quickly becoming a battleground Then as Daisy is given the task of escorting the Norwegian Crown Princess and her young children to America Cleo's lover resurfaces with a story that doesn't add up and dangerous enemies on his trail This riveting historical novel based on the astounding life of Daisy Harriman and a real life royal rescue vividly captures a desperate time and a fearless heroine Hoard's Dairyman, 1917 **The Fire Artist** Daisy Whitney, 2014-10-14 Aria is an elemental artist she creates fire from her hands But her power is not natural She steals it from lightning It's dangerous and illegal in her world When she's recruited to perform in a League of artists she seizes the chance to get away from her family But her power is fading too fast to keep stealing from the sky She has no choice but to turn to a Granter a modern day genie She gets one wish and the price is extremely high Aria's willing to take a chance but then she falls in love with the Granter and he wants his freedom Aria must decide how much she's willing to bargain and how much her own heart body and soul are worth In a world where the sport of elemental powers is as popular as the NFL readers will be swept away by a romance with stakes higher than life and death Critically acclaimed author Daisy Whitney brings thrilling and dangerous imagination to her second YA fantasy **The Rivals** Daisy Whitney, 2012-02-06 When Alex Patrick was assaulted by another student last year her elite boarding school wouldn't do anything about it This year Alex is head of the Mockingbirds a secret society of students who police and protect the student body While she desperately wants to live up to the legacy that's been given to her she's now dealing with a case unlike any the Mockingbirds have seen before It isn't rape It isn't bullying It isn't hate speech A far reaching prescription drug ring has sprung up and students are using the drugs to cheat But how do you try a case with no obvious victim Especially when the facts don't add up and each new clue drives a wedge between Alex and the people she loves most her friends her boyfriend and her fellow Mockingbirds As Alex unravels the layers of deceit within the school the administration and even the student body the Mockingbirds protect her struggle to navigate the murky waters of vigilante justice may reveal more about herself than she ever expected
