Will the church have a Revival a Reformation or will it have a Revolution perhaps all three are needed Churches all over America casually pray for revival They sing about it talk about it blog about it write books about it preach sermons about it yet the air of the church seems helplessly thin For a good deal of western Christendom revival is a novel idea but not a perceivable reality The cry for revival has never been greater the demand for its powerful effects has never been more needed Yet the requirements for revival have never been so neglected Every Spirit filled believer knows in their gut something is coming that things cannot remain as they are for the American Church That we have somehow missed what we are supposed to be and do If there is an ounce of prophetic nature left in the American church she will anticipate and prepare for what is ahead We picture times of revival as a time of refreshing and of course there are those times However a true sign that revival is on its way is when all we can see is a barren wasteland peppered with many crosses It looks as all hope is lost and in the natural it is Many of us want Revival our way But revival God s way means there will be a tearing down of the old to bring to life again the things that have died The Prophet s anguish will soon become his hope When we recognize our churches seem to be spinning out of control it is because we are on the potter s wheel It is there the church is being formed in the image of Christ How do we know such a revival will come Because they have come in the past God time and time again has revived His church As well we have seen great awakenings in our land We are due no overdue for a great world shaking nation awakening revival

Preparing for the Great Outpouring Charles R. Fox,2020-10 Though the Holy Spirit has spoken to many in the Body of Christ that we are on the precipice of the greatest revival the world has ever seen our hearts need to be prepared for a move of God Preparing for the Great Outpouring Is Your Heart Ready for A Move of God addresses ways in which God prepares our hearts individually and corporately for a move of the Spirit The book delves into six areas that serve as indicators that a vessel is actually prepared for revival Brokenness Hunger Prayer Persistence Thankfulness Courage These are the key heart ingredients to the move of God These indicators have accompanied past outpourings such as the Azusa Street Revival the Brownsville Revival and the Toronto Blessing These essential heart attitudes serve as prophetic signals that our hearts are ready for the end time outpouring that God is about to send to the world
