

***what Makes You Cry?**

What makes you cry?

I pray it's not always me

As you have convinced me many times

The real me

Would never try to hurt you

I know you are in pain

And probably hate me.

But you don't hate me

As much as you miss me

Truth be known

I show more of a tendency

To abandon you to your locked closet

Of whore's clothes and dildos....

You are predictably stronger

Than most souls

I encounter in the deafening mist of empty dreams

What makes you cry, when I'm not to blame?

Life's Ever Changing Emotions Ronald Black, 2013-02-26 Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim There are times when we may feel lost and there is nothing that we can do The truth is that there will always be options for us to choose Only with our ever changing emotions at the time we are blind to see For every action there is an opposite reaction There are things that we know that we can do yet we get caught up in the things that we are going through There are times when we are happy and times when we are sad It is a delicate balance in the lives that we live Each of us will need to come to grips with the way that we feel We are never alone although we think at the time that we are alone We need to find the courage to reach out and say that we are here Is there anyone out there that cares about the lives that we live At the end of the day if we listen closely we will be able to hear a voice saying that I am here you are not alone Ever changing emotions is what will live in our hearts We just have to decide the things that we want to do and find the courage to follow them through The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone I have cried my share of tears and I have suffered many years but I kept the love in my heart We are human and we make mistakes but as long as we live there will always be another road for us to take I pray that the poems that you are reading help you to understand that we all go through life's ever changing emotions We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past present and

our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim The Tears That I Cried Beatrice Marinescu,2005 The book The Tears That I Cried by Beatrice Marinescu is a very inspirational book like none other This book is about life and the tough experiences that we all face in the world today Beatrice wrote each poem with tears in her eyes and pain in her heart The feelings that are written in this book are reflections of her life stories that are transformed into poems She wrote each poem as she was feeling those intense emotions The book is separated into seven essential chapters spiritual sadness mean people love family and inspirational An extremely personal and deeply emotional book that takes you on an adventure that forces you to realize how precious life really is It will also help you appreciate everything that you have even if it's just the air that you breathe **Optimal Motherhood and Other Lies Facebook Told Us** Jessica Clements,Kari Nixon,2022-11-08 An exploration of social media imposed pressure on new mothers How the supposed safe havens of online mommy groups have become rife with aggression and groupthink Many mothers today turn to social media for parenting advice joining online mothers groups on Facebook and elsewhere But the communities they find in these supposed safe havens can be rife with aggression peer pressure and groupthink insisting that only certain practices are best healthiest safest and mandatory In this book Jessica Clements and Kari Nixon debunk the myth of optimal motherhood the idea that there is only one right answer to parenting dilemmas and that optimal mothers must pursue perfection In fact Clements and Nixon write parenting choices are not binaries and the scientific findings touted by mommy groups are neither clear cut nor prescriptive Clements and Nixon trace contemporary ideas of optimal motherhood to the nineteenth century Cult of True Womanhood which viewed women in terms of purity and dignity Both mothers themselves they joined a variety of Facebook mothers groups to explore what goes on in online mommy wars They examine debates within these groups over CDC recommendations about alcohol during pregnancy birth plans that don't go according to plan breastfeeding vs formula co sleeping and crying it out and tweaking pregnancy test kits to discern pregnancy as early as possible Clements and Nixon argue for an empowered motherhood freed from the impossible standards of the optimal **This Book Will Make You Feel Beautiful** Jo Usmar,Jessamy Hibberd,2016-01-05 Body image insecurity is something a lot of us face Overwhelming evidence suggests that constantly worrying about your appearance can stunt your ambition cause you to feel inadequate and make it impossible for you to enjoy your life to the fullest Sounds familiar There is a solution This compact book tackles the underlying causes of body image anxiety and breaks them down so you can start to change how you view yourself and your
