When Mockingbirds Sing Billy Coffey, 2013 Nine year old Leah's invisible friend seems harmless enough until he aids her in upsetting the tranquility of her new town Hidden within a picture she paints are numbers that win a toymaker millions Suddenly townspeople are divided between those who see Leah as a prophet and those who are afraid of the danger she represents *When Mockingbirds Sing* Billy Coffey, 2013-06-11 Nine year old Leah's invisible friend seems harmless enough until she begins to paint the future Suddenly the townspeople are divided between those who see her as a prophet and those who fear the danger she represents Caught in the middle is Leah's agnostic father who clashes with a powerful town pastor over Leah's prophecies and what to do about them Leah is a child from Away isolated from her peers because of her stutter After her family moves to Mattingly she begins painting scenes that are epic in scope brilliant in detail and suffused with rich prophetic imagery When the event foreshadowed in the first painting dramatically comes true the town takes notice Leah attributes her ability to foretell the future to an invisible friend she calls the Rainbow Man Some of the townsfolk are enchanted with her Others fear her But there is one thing they all agree on there is no such thing as the Rainbow Man The town minister is unraveled by the notion that a mere child with no formal training may be hearing from God more clearly than he does While the town bickers over what to do with this strange child the content of Leah's paintings grows darker Still Leah insists that the Rainbow Man's heart is pure Then a dramatic and tragic turn of events leaves the town reeling and places everyone's lives in danger The people of Mattingly face a single choice will they cling to what they know or embrace the things Leah believes in that cannot be seen Supernatural standalone novel Includes discussion questions for book clubs Other books by Billy Coffey Snow Day Paper Angels The Devil Walks in Mattingly and In the Heart of the Dark Wood

secret complicity in a young man's untimely death redemption is what they most long for and the last thing they expect to receive It has been twenty years since Philip McBride's body was found along the riverbank in the dark woods known as Happy Hollow His death was ruled a suicide But three people have carried the truth ever since Philip didn't kill himself that day He was murdered Each of the three have wilted in the shadow of their sins Jake Barnett is Mattingly's sheriff where he spends his days polishing the fragile shell of the man he pretends to be His wife Kate has convinced herself the good she does for the poor will someday wash the blood from her hands And high in the mountains Taylor Hathcock lives in seclusion and fear fueled by madness and hatred Yet what cannot be laid to rest is bound to rise again Philip McBride has haunted Jake's dreams for weeks warning that he is coming back for them all When Taylor finds mysterious footprints leading from the Hollow he believes his redemption has come His actions will plunge the quiet town of Mattingly into darkness These three will be drawn together for a final confrontation between life and death between truth and lies Coffey has a profound sense of Southern spirituality His narrative moves the reader from a false heaven to a terrible hell then back again to a glorious grace Publishers Weekly The Devil Walks in Mattingly recalls Flannery O'Connor with its glimpses of the grotesque and supernatural BookPage

There Will Be Stars Billy Coffey, 2016-05-03 IN A LIFE FULL OF LIES HE FINALLY SETTLED FOR THE TRUTH No one in Mattingly ever believed Bobby Barnes would live to see old age Drink would either rot Bobby from the inside out or dull his senses just enough to send his truck off the mountain on one of his nightly rides Although Bobby believes such an end possible and even likely it doesn't stop him from taking his twin sons Matthew and Mark into the mountains one Saturday night A sharp curve blinding headlights metal on metal his sons scream Bobby's final thought as he sinks into blackness is a curious one There will be stars Yet it is not death that greets him beyond the veil Instead he returns to the day he has just

lived and finds he is not alone in this strange new world Six others are trapped with him Bobby soon discovers that this supposed place of peace is actually a place of secrets and hidden dangers Along with three others he seeks to escape even as the world around him begins to crumble The escape will lead some to greater life others to endless death and Bobby Barnes to understand the deepest nature of love The Curse of Crow Hollow Billy Coffey,2015-08-04 With the profound sense of Southern spirituality he is known for Publishers Weekly Billy Coffey draws us into a town where good and evil and myth and reality intertwine in unexpected ways Everyone in Crow Hollow knows of Alvaretta Graves the old widow who lives in the mountain Many call her a witch others whisper she s insane Everyone agrees the vengeance Alvaretta swore at her husband s death hovers over them all That vengeance awakens when teenagers stumble upon Alvaretta s cabin incurring her curse Now a sickness moves through the Hollow Rumors swirl that Stu Graves has risen for revenge And the people of Crow Hollow are left to confront not only the darkness that lives on the mountain but the darkness that lives within themselves Coffey spins a wicked tale The Curse of Crow Hollow blends folklore superstition and subconscious dread in the vein of Shirley Jackson s The Lottery Kirkus Reviews *Slow Birding* Joan E. Strassmann,2022-10-25 A one of a kind guide to birding locally that encourages readers to slow down and notice the spectacular birds all around them Many birders travel far and wide to popular birding destinations to catch sight of rare or exotic birds In Slow Birding evolutionary biologist Joan E Strassmann introduces readers to the joys of birding right where they are In this inspiring guide to the art of slow birding Strassmann tells colorful stories of the most common birds to be found in the United States birds we often see but might not have considered deeply before For example northern cardinals thrive in the city where they are free from predators White brows on a male white throated sparrow indicate that he is likely to be a philanderer This essential guide to the fascinating world of common everyday birds features detailed portraits of individual bird species and the scientists who have discovered and observed them advice and guidance on what to look for when slow birding so that you can uncover clues to the reasons behind specific bird behaviors bird focused activities that will open your eyes more to the fascinating world of birds Slow Birding is the perfect guide for the birder looking to appreciate the beauty of the birds right in their own backyard observing keenly how their behaviors change from day to day and season to season East Wind Melts the Ice Liza Dalby,2009-02-17 To read East Wind Melts the Ice is to slip into a time stream that is both as long and sinuous as history and as ephemeral as the present moment Drawing inspiration from the thousand year old history of Japanese poetic diaries and form from the ancient Chinese almanac that she uses to contain her musings Liza Dalby has accomplished the seemingly impossible task of translating the sensibility of the Heian Court of 11th century Japan into the context of contemporary America The result is a stunning chronicle of the beauty of time passing and an evocation of the transient and whimsical nature of all things Ruth Ozeki author of My Year of Meats and All Over Creation I imagine Liza Dalby writing this book in an ancient library a lion sleeping at her side as in the paintings of Saint Jerome As she collects and layers arcane and fascinating pieces of knowledge

she builds her own very personal almanac packed with the wonder of loving two cultures the intense inner life of each season and boundless curiosity of the scholar child This is a book to dip in and out of throughout the year Frances Mayes author of *Under the Tuscan Sun* Liza Dalby's memoir of the seasons is as fresh and captivating as springtime A very special book Michael Pollan author of *The Omnivore's Dilemma* This beautiful book awakens the senses A journal an almanac of the seasons and a series of reflections on ancient Eastern Chinese and Japanese cultures here you will find subtle observations of rain and heat tangerines mulberries and paulownia trees crickets and doves forming a rich tapestry as they are woven with evocative fragments of history stories of geishas of salesmen who sold bulk fireflies of the wood that was used for kimono chests of emptiness in the tea ceremony Like a lush garden this book is meant to savor Susan Griffin author of *The Book of the Courtesans*
