Phrasal Verbs with Pictures Özer Kiraz,2019-03-20 Please remember that you can read your Google Play books on your Apple devices as well Simply search for Google Play Books application on the App Store and log in using your Google credentials and your books are good to go Phrasal verbs are indispensable parts of the English language They add a sense of fluency into spoken or written language and render it richer in terms of vocabulary Knowing and using not all but even the most common ones would make our English sound more natural However the difficult thing about phrasal verbs is to memorize them because they may have some meanings which are completely irrelevant to their constituent parts For this reason we need to learn them by heart which means to memorize them Although it may sound hard to learn them in this way using phrasal verbs in actual dialogs makes it easier to memorize them by creating a match on the cognitive level If we support this with images as well we may have a better chance to retain

them in our memories permanently This is exactly where this book steps in You will find hundreds of dialogs presented in drawings where characters use phrasal verbs A total of carefully selected 228 phrasal verbs are given with up to their 3 common definitions Therefore you will have to memorize neither the outdated phrasal verbs nor their barely used meanings There are 38 units in the book each of which contains 6 phrasal verbs given in an alphabetical order There is an Exercises section at the end of every unit and two Revision Tests after every five units You will also find a general revision test with 100 questions in the back of the book This test consists of all the phrasal verbs in this book You can reach the answers to the exercises by using the buttons below exercise pages This book also contains links to the videos of each unit These videos contain a broader explanation of the phrasal verbs and they offer 2 3 minute footages taken from various films where characters use the phrasal verbs presented in the relevant unit The footages come with subtitles as well You can reach these videos by using the buttons below pages After looking at the drawings reading the dialogs watching the movie footages and doing the exercises you won t have any trouble keeping phrasal verbs in your long term memory and using them in your own sentences All you need to do is to make regular revisions which is a must learning a new language If you want to have this book as a hard copy with amounts over 100 please contact at siparis_turengkitap.com

KarmaSutra Ankur Bagga,2021-08-14 What should have been a simple employment interview for Aadhya Mhann a middle class Punjabi lady in her early twenties turned into a gruesome gang rape by 6 men 4 of them being part of the most influential circles in Mumbai Aadhya had the opportunity to seek for legal help and she had enough evidence to make sure all 6 men were locked up for years but she chose to do things her own way The justice system always had a soft spot for rich and influential people and even when it didn t the culprits of the crime enjoyed minimal sentences compared to the torture and trauma they put their victims through Aadhya didn t want her rapists to be let off that easy She had to make all of them suffer But she couldn t do it alone Aadhya finds and recruits 5 other girls that have been raped at some points in their lives Manju Sudesha Palakh Sathya and Lakshmi They all came from different backgrounds castes and social classes but they all had the same objective To make the fuckers that had raped them regret ever having dicks They were willing to step out of the restrictions of the law and make sure that these vile men get the punishment they deserve for their atrocities Creating an elaborate covert operation with Aadhya at the helm they combine their resources and talents and go on a revenge rampage One by one the girls target the 10 men that had raped any one of them and kill them off in the most gruesome and blood curling way possible They leave the most psychologically draining death for Akash Rathore the biggest and richest pervert of them all The murders and the elaborate ways in which they are carried out shakes the core of Mumbai What is more mysterious is that no one has any idea who the killers are as the girls are always careful to keep their identities secret As time goes by the painful pasts of the girls are revealed and they create the most unlikely of bonds with each other They become pillars for each other and the deaths of their rapists becomes the glue that brings them together **Love Without**
