Bargerhuff, 2020-08-18 The Bible Passages You've Always Wondered about Explained What should we make of the Bible story about a talking donkey What about the passage in Joshua where the sun and moon stood still Should biblical practices like women wearing head coverings still be followed today The Bible serves as the foundation for all of Christian life crossing time and transcending cultures yet many passages are perplexing Providing fascinating historical and scriptural insights Eric J Bargerhuff demystifies forty Bible verses and stories Ranging from strange accounts such as bears mauling forty two boys 2 Kings 2 to hard to accept statements such as Jesus saying we must hate our families in order to be his disciples Luke 14 you will learn the context of each passage and how it applies to us today Other fascinating accounts include The Finger on the Wall Lead Us Not into Temptation Jeremiah's Linen Underwear No One Knows the Day or the Hour The Battle for Moses Body Death at Communion In all this book will help you be more confident about interpreting all of God's Word accurately [Know Your Bible for Kids: Where Is That?](#) Donna K. exactitude and personal care He has published books of the highest scholarly quality of engaging readability and of passionate conviction When we at ATF were considering asking him for a volume of Collected Works or Selected Writings we were well aware that published books of the highest scholarly quality were likely to be found on the shelves of libraries and of specialised academics but not with students and others generally interested There may be a dozen or more of Tony s books on the list from Amazon com booksellers along with another two or three that are not listed there But most are heavy duty specialist works not easily accessible even to the educated public We were equally well aware that there was a surprising number of essays and articles scattered in journals and proceedings of conferences that were because of the scattering often just as inaccessible We thought that a collection of these in a single volume would be of great value to those interested In the Introduction to this volume Father Campbell has gone into some detail about the contents Suffice for us to say that Job and the issues associated with suffering concern us all that the interplay of history and narrative is a constant in the understanding of much biblical text and that the nature of the Bible and its role in our lives is a major concern for most thinking Christians While Father Campbell s focus is on the Older Testament pondering what he looks at throws light on much of the Newer Testament as well The writings Tony Campbell has pulled together in this single volume address significant issues within the readable length of an article or a talk Addressed originally to thinking people we at ATF believe they are likely to be of interest to a wide audience

Jesus parables They are widely known or at least often referenced But does that mean they are well understood Having slipped into the lingua franca of our day we could be missing some of what He was communicating If familiarity breeds contempt perhaps our sense that we know these stories insulates us from what Jesus was saying about life with God If Jesus intended His parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way We could be overlooking what is essential if we read His parables simply as clever stories Like a chef who seasons the meal in such a way that the distinctive flavors of each element is enhanced Brian invites the reader into an invigorating and fresh taste of what Jesus says in His parables Reading each parable attentive to Jesus own words and the context in which these stories are found you ll hear the voice of the Savior in renewed ways No longer will you think of His parables as clever stories but you ll find them to be life giving words from Jesus
