Sundblad,2024-07-23 Hundreds of years ago despite prophetic warnings the Stygians welcomed the disease riddled Jonnick to their shores offering the new beginning they sought But amid the refugees was one cursed who harbored the dark powers of the Magestone resulting in sickness and death and creating strife and division between the two cultures Years later those hoping to end the conflict turn to Stygian ancient oracles that foretell the uniting of the land Jonnick Queen Riona filled with paranoia issues royal decrees designed to thwart the coming of the Stygian Arich and his Augur In the present day social outcast Manelin and a lame Jonnick girl Jalil are thrust into the middle of unfolding ancient prophecies and a world on the verge of annihilation An epic fantasy adventure Donna Sundblad s WINDWALKER is a journey full of discovery set in a richly woven fantasy world Windwalker H.G. Chambers, In the heart of the ancient desert lies a secret Not one concealing

jewels treasure or even an ancient tomb but an entire people hidden for a thousand years among the stony buttes and mesas For sixteen years Kiva has grown up climbing those buttes hunting poisonous lizards and learning to fight with her two older brothers But all of that is about to change The Proving Ceremonies are around the corner and with them comes the pressure to choose a profession befitting a female But Kiva an outspoken youth whose mouth lands her in trouble as often as not has never been one for tradition Her eyes are ever turned upward hoping to glimpse one of the deadly four winged raptors that scour the desert skies It is upon their backs that the windwalkers ride keeping watch over her people But women are strictly forbidden from joining the windwalker sect What s more the flying predators are said to kill any female attempting to bond them With stubborn determination Kiva formulates a bold plan that is as likely to leave her exiled or dead as it is to succeed But this is only the beginning of the dangers she will face When signs of an ancient enemy appear upon the plains a threat arises that will soon bury them all in a tomb of sand and stone unless she can stop it *Windwalker* Sabrina
