Which Way Are You Going:

Which Way Are You Going? Maurice S. Rawlings, 2008-11 Which religion is yours You don't have one That's strange because in the hospital Emergency Room everyone seems to vocalize a religion of some sort want to or not The typical response to an acute injury or illness is God help me And they can't keep from saying this Each religion also seems to involve this basic question Is there a life after death And to attain this good life when you die seems to form the basic objective of most religions But how do you know that you have the right religion In this wonderful Age of Resuscitation in which we live post death experiences occur in most all faiths races and cultures In fact about twenty percent of those resuscitated from clinical death have had an after death experience so real that it turns their life upside down Not only are they willing to bet their life on this revelation but the very sequence of events are comparable something that drugs chemicals injuries and infections cannot do or duplicate For contrast let's compare the death experience for the main groups of religions for death as with life is patiently waiting for each of us to discover this answer for ourselves **UPDATED BIOGRAPHICAL**

Which Way Are You Going? Robert H. Scott Jr., 2013-01-25 I pray that this book ministers to the hearts of the saved and unsaved that the unsaved may draw close to Jesus and accept him as Lord and Savior and those that are already saved will grow stronger and wiser Many go to church religiously most are not saved they just go Are you one of them Which way are you going You decide We all must examine ourselves and determine which way we are going spiritually The path and choices we make will determine our eternity tomorrow Deuteronomy 30:19 says I call heaven and earth to record this day against you that I have set before you life and death blessing and cursing therefore choose life that both you and your seed may live Neither is there salvation in any other but Jesus Christ Enough of the dead ends, which way should I go? Fara Faith, 2012-05-02 God desires all men to receive His salvation and to grow spiritually so they can reach their destiny which is being transformed into the image of Christ But many people including Christians do not know how For lack of knowledge my people perish says the LORD Those who do not know the word of God suffer much at the hands of the devil yet likewise Christians who know the word of God but do not understand it suffer as much as those who do not know the word at all Many Christians though saved are not growing because they failed to grasp with understanding the elementary workings of God at the point of their initial salvation These elementary workings of God at initial salvation are the same elements required for continued growth of all believers This book therefore brings to light knowledge that will better

lead people seeking after their initial salvation and spiritual growth from then on The intentions of this book are that people would gain understanding and refrain from and rebuke the frustrating failures conceived by futile practices conceived from error understanding The way to God is simple really if you understand how therefore the hope intended is that in gaining understanding the reader will redeem time and begin to invest in ways that will see them receive the promises of the word of God so that they may have fullness of joy and glorify God The Little Boys' French Book M.
