Which Way Freedom Obi And Easter Trilogy:

Which Way Freedom Joyce Hansen, 2013-02-01 Obi had never forgotten the sounds of his mother's screams on the day he was sold away from her. Making plans to run away to find her was a secret game he played with friend Buka, an old African who lived at the edge of the farm. When the Civil War began, Obi knew it was time to run or be sold again. If he was caught, he'd be killed or worse. But if he stayed, he might never know freedom. *Out from This Place* Joyce Hansen, 1992-02-01 After their daring run for freedom, Obi and Easter were separated in the confusion of the Civil War. But now that the war is over and the slaves are free, Easter sets out to find her old friend and take control of her life in the powerful sequel to the Coretta

Scott King Honor Book **WHICH WAY FREEDOM Teaching Historical Fiction with Ready-Made Literature Circles for Secondary Readers** Carianne Bernadowski, Kelly Morgano, 2011-10-24 This comprehensive step-by-step guide provides practical guidance to implement literature circles in any social studies or language arts classroom. This book provides a how-to guide for a novice or veteran teacher or library media specialist who is interested in implementing literature circles with high-interest texts. After an introduction that covers the research findings on literature circles and supplies a framework for implementation of literature circles in the classroom and library, *Teaching Historical Fiction with Ready-Made Literature Circles for Secondary Readers* presents 14 selected historical fiction titles for grades 7 through 12 that lend themselves perfectly to interdisciplinary teaching. Each selection is accompanied by bibliographic information, an annotation, vocabulary words, discussion questions, and guided reading questions, as well as lessons for before, during, and after reading. The titles included cover many historical time periods and topics that can easily align with state and national standards. Just as importantly, these are texts that a history teacher or literature instructor would find beneficial to use with students. *The Heart Calls Home* Joyce Hansen, 2013-03-05 Living in the past. When Obi left South Carolina, he was a runaway slave. Five years later, in 1866, he has returned as a freed man, and a Union Army officer determined to find the only family he has ever known: his beloved Easter and Jason, the young boy they looked after on the plantation. Obi makes his way to New Canaan, a settlement of former slaves where he learns that Easter is studying in the North. Obi wastes no time in writing to Easter, professing his love and proposing marriage. But it doesn't take long before the two realize that they have changed and have different dreams. Is their love still strong enough to begin a new life together? Or are they just living in the past?
