many people having the desire to take part part in a Triathlon is a mystery But to others it represents a great challenge to
overcome and a great way to spice up up your current weight loss or fitness regime Most people will take up running cycling
or swimming independently to get fit or to lose weight why not combine all three A lot of people are put off by the idea of
doing a Triathlon as they feels it s for the fitness elite This book demonstrates that s really not the case In my experience of
competing in Triathlons and coaching people I ve found that there s always someone else that s not as fit as you Whether
your 9 to 90 years old male or female fat or thin you can complete a Triathlon if you have the desire Whatever the initial
motivation the need to test YOUR limits is usually the driving force for people wanting to complete a Triathlon Anyone with
the right mindset can complete a Triathlon but that doesn t make it easy When people start thinking about all the equipment
techniques and training required to complete a Triathlon the idea becomes scary and overwhelming That s normal This book
