All the Buddhas Bhikkhu Revata,2016-12-16 The Buddha of this era and the Buddhas of past eras have all taught only two kinds of truths and nothing more than these I have taught the Dhamma that I myself have directly penetrated All the Dhamma I taught between the day I became enlightened and the day I took final Nibbana all the Dhamma I have taught are true There is nothing I have taught which is untrue I have not taught a Dhamma which you cannot practise Sa jaya Belatthiputta replied All the wise will go to the Buddha The fools will come to me Do not worry A person can poison others but the Dhamma will never poison anyone Depend on the Dhamma then and not on the person Mentality does not originate in the brain In fact there is not the slightest trace of mentality in the brain **The Eternal Marriage** Christopher Alan

Anderson,2012-09-13 It has always been somewhat of a mystery to me why so little has been written on the subject of eternal marriage not as romantic fantasy but as actual metaphysical fact It seems to me that if we actually look into our heart of hearts eternal marriage is the greatest of all ideas and realities that we can embrace I have always believed this and so this undertaking is being offered When a man and a woman come into a relationship in the spirit of eternal marriage they together are in the truth It is this truth that we shall know for it is here to be known Indeed we can now speak it and in our speaking we are set free for there is no greater solace for our souls The Eternal Marriage Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings

were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now keywords Eternal Marriage Co Creation Metaphysical Truth Sexual Connection

Understanding Religious Pluralism Peter C. Phan,Jonathan Ray,2014-08-01 Our contemporary world is fast becoming religiously diverse in a variety of ways Thanks to globalization and migration to mention only two current worldwide trends people of diverse and sometimes mutually hostile faiths are now sharing neighborhoods and encountering one another's religious traditions on a daily basis For scholars in religious studies and theology the issue to be examined is whether religious diversity is merely the result of historical development and social interaction or whether it is inherent in the object

of belief part of the very structure of faith and our attempts to understand and express it The essays in this volume range from explorations of the impact of religious diversity on religious studies to examples of interfaith encounter and dialogue and current debates on Christian theology of religion These essays examine not only the theoretical issues posed by religious pluralism to the study of religion and Christian theology but also concrete cases in which religious pluralism has been a bone of contention Together they open up new vistas for further conversation on the nature and development of religious pluralism

Democracy, Equality, and Justice John E. Hill, 2007-07-27 Challenging common interpretations of the political thought of John Adams and Adam Smith Democracy Equality and Justice offers an engaging and novel portrait of the political economy in America at its founding The founders believed that liberty should not trump community but should exist within the context of community Drawing on extensive written records of the thought of John Adams and Adam Smith the father of modern capitalism Dr John E Hill argues that these two great men advocated a balanced values based and just political economy Adams historically misperceived as a rugged individualist who favored aristocracy over democracy actually emphasized political balance with no one socio economic class dominating any other Smith incorrectly portrayed as a supporter of laissez faire government advocated economic balance with no class or individual receiving special treatment from the government Applying their values of universalism and moderation today would significantly broaden the definition of morality in contemporary politics Democracy Equality and Justice is a stimulating and sophisticated text that will encourage debate over the relationship between historical ideas and contemporary economic problems *Tropical Truth(s)* Armin Burkhardt, Brigitte Nerlich, 2010-04-23 Tropes are not only rhetorical means which are used as a creative and or persuasive linguistic means in poetry and public speech They are also a cognitive tool which helps people to understand the world and to express their world As they are the basis on which our worldview and even our everyday speech is founded the question must be posed as to whether utterances containing tropes can be said to be true This has been an epistemological problem since Nietzsche expressed his doubts about the possibility that figurative language could give access to truth However since then research has paid little attention to this question 18 papers by linguists philosophers psychologists and literary scholars have been collected in this volume Their 21 authors use various approaches or paradigms in order to define metaphor metonymy synecdoche irony euphemism antonomasia and hyperbole and find an answer to the crucial epistemological questions namely whether and to what extent utterances containing tropes can be said to be true or false
