CAUTION: Champion's independent suspension was designed to enhance your riding comfort and performance. However, to achieve maximum results adjustments must be made for individual riding styles, passenger weight and whether they are traveling with a trailer.

Failure to make the proper adjustment will potentially lead to serious personal injury and/or property damage and may void the warranty.

Champion does not guarantee fit form or function to any of their trike kits if altered or aftermarket components were added to the original bike design.

All dealers or installers should make proper adjustments with the customer before delivery. Champion is not responsible for additional adjustments made under warranty.
