Getting Through the Difficult Times in Life Jewel Harper BA, MPA, MDiv, 2021-05-19 Represent God as holding us up through life's problems and moving us along on our journey through life. The Lord's while I was in the mud was with me, and he carried my burdens, pain, past hurts, and disappointments upon Himself. Meaning the weight I felt in my soul is from the devastating blows of life experiences. The whole point of being on a journey is learning to love yourself with your imperfections because God does. God loves us all. As a person working on transforming to a changed person, each day becomes a part of my walk in faith. I cannot separate my faith and life without denying one or the other. But faith and life interface within me as a part of my growth and transformation.
