Transforming Fate Into Destiny Robert Ohotto, 2008-03-01 In this penetrating book renowned intuitive speaker and teacher Robert Ohotto guides us on an investigation of the Heroic Journey of the Soul Exploring three modern day manifestations of Fate he shows how psychic energy from family patterns cultural influences generational legacy and global evolution inform our self concept every day and how they often block our highest potential and Fate us to challenging circumstances and relationships But he reveals these Fated encounters are actually the keys to our unlived life Each chapter maps our psyche and unravels the mysterious connections of Fate Free Will and Destiny transforming our Fate into Destiny and our limitations into gifts Through this seminal work based on years of experience discover how we've made two fundamental agreements with the Universe as part of our Heroic Journey one with Fate and the other with Destiny As we learn to dance with these two forces they become two voices challenging and beckoning us to discover our ultimate purpose the primary task of the modern day Hero and Heroine and in the process serve to unleash the power of our Soul in delivering grace to the world

Collage Quest Donna L. Thompson, 2015-11-13 Come voyage through lost roots of the multi dimensional artistry of collage This seemingly simple method leads you on an adventure of self discovery developing your innate abilities for shapes shifting using paper scissors and glue Author and artist Donna Thompson shares her wisdom and stories as she leads you on a journey through time From caves of old to collaging in your own home this colorful adventure is an in depth exploration of humanity's ancient connections to making art This triple layered approach is actually three books in one It begins by guiding you through the mystical Doorway of Color where you learn the Celtic ways of sensing gathering and envisioning with images Next comes the Doorway of Ceremonies where you unearth indigenous ways of communing with collage And finally the Doorway of Dreams leading to the most ancient ways of remembering who you truly are Learning to quest with collage is all about playing with colors signs and synchronicity It is also a metaphor for the ongoing journey of each human life You are invited to come along in search of multi hued elements to weave into an ever unfolding landscape of your own design Collage Quest is a guide for tracing these deep roots and translating them into modern day materials and language It is a unique and powerful 21st century tool of co creation [www HealingInteriors.com](http://www.HealingInteriors.com)

The Power of Your Spirit Sonia Choquette, 2012-05-02 Losing our connection with Spirit may be the biggest problem we suffer from today We want to face our challenges and disappointment with grace be creative and inspired feel excited by a purpose and live fearlessly through an intuitive guiding wisdom We want to love and feel loved and realise genuine peace but as much as we desire a significant spiritual breakthrough and long to know our Divine selves we're still not making the commitment that will ensure our success We want the gifts but we're not engaging in the practical work necessary to obtain them so we remain stuck and more frustrated than ever We know a lot about the power of Spirit yet we aren't actually experiencing it And we cannot do so through intellectual pursuits alone In fact we can only experience it through a deep intentional daily practice of connecting

with Spirit When you truly make this connection you will realise that it is the most authentic lasting power you have in your life In this enlightening book spiritual teacher Sonia Choquette will show you that even though you cannot control the outside world with the power of your Spirit you can create a sense of purpose within that brings about profound contentment and personal peace no matter what is going on around you
