Transgender Lives Complex Stories Complex Voices:

Transgender Lives Kirstin Cronn-Mills, 2014-08-01 I didn't hear the word transgender until I was eighteen when a person I was dating came out as trans. My boyfriend came out as my girlfriend and I thought, "What is that?" She said, "I just don't think I'm a man." And I said, "Guess what? Neither do I." And then the skies parted and I understood who I was. Katie Burgess, nonprofit director and community activist organizer. Meet Katie, Hayden Dean, Brooke David, Julia, and Natasha. Each is transgender and in this book they share their personal stories. Through their narratives, you'll get to know and love each person for their humor, intelligence, perseverance, and passion. You'll learn how they each came to better understand, accept, and express their gender identities and you'll follow them through the sorrows and successes of their personal journeys. *Transgender Lives* helps you understand what it means to be transgender in America while learning more about transgender history, the broad spectrum of transgender identities, and the transition process. You'll explore the challenges transgender Americans face, including discrimination, prejudice, bullying, and violence; unequal access to medical care; and limited legal protections. For transgender readers, these stories offer support and encouragement. *Transgender Lives* is a space for trans voices to be heard and to express the complexities of gender while focusing on what it means to be human. *Original Fake* Kirstin

Cronn-Mills, 2016-04-19 In this Banksy-inspired illustrated novel, an escalating sibling rivalry, train wrecks, and vengeance are a street art act of war. Introvert Frankie Neumann hates his life and understandably so. He's got a weird, tutu-wearing sister, Lou, and even weirder parents, Bridget and Brett Frank Sinatra, and Dr. Frank N. Furter impersonators, respectively. And he's just the guy who makes pizza at Pizza Vendetta. Though he has secret artistic aspirations of his own, his over-the-top family makes him want to stay in the background. But Frankie's life is about to change, becoming way more interesting, even a little dangerous, but definitely cool. After his shift at the pizzeria, one night Frankie meets David and Rory, cousins and errand runners for the mysterious Uncle Epic, a legendary anonymous street artist and Frankie's absolute idol. Little could Frankie dream that his new adventures with Uncle Epic would lead to the perfect opportunity to strike back at his insufferable sister for a lifetime of torture. But things go haywire quicker than you can say "street art kicks righteous ass," and the lines are suddenly blurred between art and Frankie's real life. *Transgender Profiles* Linda DeFruscio, 2018-05-22 A comprehensive and enlightening must-read primer for anyone who is beginning their transition from male to female or female to male.

Gender Identities Charlie McNabb, 2017-12-08 Nonbinary gender identities are those that fall outside the traditional binary of man and woman. These include genderfluid, androgynous, genderqueer, and a multitude of other identity terms, some of which overlap. Although there have always been people who identify outside the gender binary, only recently have they gained popular media attention. Despite some visibility, however, nonbinary gender identities are poorly understood by the general public. It is critically important for gender minorities to find themselves in the media that they consume. Just as important is the need for those outside the minority community to understand and appreciate them. Nonbinary gender identities are represented in books and other media, but these resources prove difficult to locate as classification vocabulary doesn't evolve as quickly as community language. Reference sources identified include archives and special collections, theses and dissertations, key journals, and related organizations and associations. This timely resource, the first reference on nonbinary gender identities, offers an accessible entry into researching this topic. Written by a nonbinary scholar and librarian, this guide includes valuable appendixes that will aid every researcher and writer: a glossary of the rich vocabulary emerging from nonbinary communities; a guide to pronoun usage; a primer on sex, sexuality, and gender; and Library of Congress Classification information.

The Advocate Educator's Handbook Vanessa Ford, Rebecca Kling, 2024-01-24 A critical guide on creating inclusive classrooms for transgender students. Including a foreword from Dr. Peggy Brookins, President of the National Board for Professional Teaching Standards, *The Advocate Educator's Handbook* offers a tested framework for educators to use in their journeys to create inclusive classrooms for transgender and non-binary students. Centered on a framework of four principles: educate, affirm, include, and disrupt, this book provides a new way of thinking about inclusivity in the classroom, as well as practical ways to foster students' sense of belonging. The authors bring rich understanding to the topic: Kling as a transgender educator, advocate, Ford as a teacher-parent of a transgender child, and both authors being educators themselves. You'll also read stories from transgender and non-binary students, teachers, researchers, parents, and more, providing unique and important perspectives. Inside the book, you'll find tools that you can start using on day one of being in the classroom. You'll also find model policies for teachers, schools, administrators, and public policymakers so you can begin the important work of advocating for and with trans and non-binary students. By engaging with trans youth and allies, we can build inclusivity in and beyond the classroom. Understand what it means to be transgender or non-binary and learn about the experiences of trans youth. Learn how to support trans and non-binary students with dozens of firsthand accounts from experts serving the communities. Find resources you can use as an educator in your journey toward inclusivity in education. Recognize and respond to anti-trans policies and laws targeting trans students. Identify important actions unique to your situation with personal reflection questions and scenarios. This book was created especially for K-12 educators, administrators, and others looking to enact change and create safe spaces for transgender and non-binary youth. From daily life in the classroom to policy at the highest levels, *The Advocate Educator's Handbook* will help educators and their community work toward meaningful
