

Goals of Transitional Justice

Ensuring that vulnerable communities have equal access to justice, especially if the conflict cut across this cleavage

Creating a role for women and other marginalized groups in the transitional justice and restoration process

Restoring public trust

Facilitating a sustainable and robust peace process

Addressing the underlying causes of the conflict

Seeking post-conflict reconciliation

Establishing respect for the rule of law

Building accountable institutions: a representative legislature, independent judiciary, and non-political criminal justice system

Transitional Justice

DP Hallahan

Transitional Justice:

Transitional Justice Neil J. Kritz, 1995 Foreword Nelson Mandela *Theorizing Transitional Justice* Mr Jack Rotondi, Professor Claudio Corradetti, Professor Nir Eisikovits, 2015-02-28 With the common goal of clarifying some of the theoretical profiles of transitional justice strategies the study is organized along crucial intersections evaluating aspects connected to the genealogy the nature the scope and the most appropriate methodology for the study of transitional justice The specific transitional instruments of war crime tribunals truth commissions administrative purges reparations and historical commissions are considered The book brings together some of the most original writings from established experts as well as from promising young scholars in the field *Assessing the Impact of Transitional Justice* Hugo Van der Merwe, Victoria Baxter, Audrey R. Chapman, 2009 In *Assessing the Impact of Transitional Justice* fourteen leading researchers study seventy countries that have suffered from autocratic rule genocide and protracted internal conflict **Transitional Justice** Ruti G. Teitel, 2000-06-29 At the century's end societies all over the world are throwing off the yoke of authoritarian rule and beginning to build democracies At any such time of radical change the question arises should a society punish its ancien regime or let bygones be bygones Transitional Justice takes this question to a new level with an interdisciplinary approach that challenges the very terms of the contemporary debate Ruti Teitel explores the recurring dilemma of how regimes should respond to evil rule arguing against the prevailing view favoring punishment yet contending that the law nevertheless plays a profound role in periods of radical change Pursuing a comparative and historical approach she presents a compelling analysis of constitutional legislative and administrative responses to injustice following political upheaval She proposes a new normative conception of justice one that is highly politicized offering glimmerings of the rule of law that in her view have become symbols of liberal transition Its challenge to the prevailing assumptions about transitional periods makes this timely and provocative book essential reading for policymakers and scholars of revolution and new democracies

Oxford Handbook of Transitional Justice, 2025-08-15 The Oxford Handbook of Transitional Justice is an authoritative guide to the rapidly growing domain of transitional justice the practices and processes of reckoning pursued in the aftermath of historic injustice Since the neologism's coining in the late 1990s transitional justice has become one of the 21st century's most influential practices of international humanitarianism However transitional justice projects often conceal the very violence they are intended to address or even inflict further violence on victims of atrocities Across 48 genre bending chapters the Handbook explores articulates and advances a multifaceted critique of transitional justice Ranging innovatively across space and time it interrogates the nature and legacies of the justice cascade that the prosecution of international crimes is said to have inspired An interdisciplinary cast of leading scholars questions the meaning and efficacy of transitional justice's modalities which range from archives to courts from memorials to reparations In so doing this volume's authors critically challenge the panglossian orthodoxies that have accumulated and ossified around efforts to come to terms with

violent pasts from colonialism to genocide This global endeavor is not one of tear down however Rather it points toward a reimagined project that is more clear eyed about the promises of transitional justice and its inherent limits A definitive work on the subject The Oxford Handbook of Transitional Justice is essential reading for students scholars and practitioners interested in practices of reckoning

Transitional Justice and Rule of Law Reconstruction Padraig

McAuliffe,2013-06-26 This short and accessible book is the first to focus exclusively on the inter relation between transitional justice and rule of law reconstruction in post conflict and post authoritarian states In so doing it provides a provocative reassessment of the various tangled relationships between the two fields exploring the blind spots contradictions and opportunities for mutually beneficial synergies in practice and scholarship between them Though it is commonly assumed that transitional justice for past human rights abuses is inherently conducive to restoring the rule of law differences in how both fields conceptualise the rule of law the scope of transition and obligations to citizens have resulted in divergent approaches to transitional criminal trial international criminal law restorative justice and traditional justice mechanisms Adopting a critical comparative approach that assesses the experiences of post authoritarian and post conflict polities in Latin America Asia Europe and Africa undergoing transitional justice and justice sector reform simultaneously it argues that the potential benefits of transitional justice are exaggerated and urges policy makers to rebalance the compromises inherent in transitional justice mechanisms against the foundational demands of rule of law reconstruction This book will be of interest to scholars in the fields of transitional justice rule of law legal pluralism and peace building concerned by the failure of transitional justice to leave a positive legacy to the justice system of the states where it operates This is a bold and nuanced scrutiny of the international system s approach to transitional justice and the much vaunted rule of law project Dr McAuliffe should be congratulated for this well researched book which should be a must read for not only scholars and researchers in transitional justice and peace and conflict studies but also policy makers in the international system Dr Hakeem O Yusuf Senior Lecturer University of Strathclyde and author of Transitional Justice Judicial Accountability and the Rule of Law

Transitional Justice in Nepal Yvette Selim,2018-06-27

The conflict in Nepal 1996 2006 resulted in an estimated 15 000 deaths 1 300 disappearances along with other serious human rights and humanitarian law violations Demands for peace democracy accountability and development have abounded in the post conflict context Although the conflict catalysed major changes in the social and political landscape in Nepal the transitional justice TJ process has remained deeply contentious and fragmented This book provides an in depth analysis of transitional justice process in Nepal Drawing on interviews with a diverse range of stakeholders including victims ex combatants community members human rights advocates journalists and representatives from diplomatic missions international organisations and the donor community it reveals the differing viewpoints knowledge attitudes and preferences about TJ and other post conflict issues in Nepal The author develops an actor typology and an action spectrum which can be used in Nepal and other post conflict

contexts The actor typology identifies four main groups of TJ actors experts brokers implementers and victims and highlights who is making claims and on behalf of whom The action spectrum based on contentious politics literature and resistance literature demonstrates the strategies actors use to shape the TJ process This book argues that the potential of TJ lies in these dynamics of contention It is by letting these dynamics play out that different conceptualisations of TJ can arise While doing so may lead to practical challenges and produce situations that are normatively undesirable for some actors particularly when certain political parties and national actors seem to hijack TJ remaining steadfast to the dominant TJ paradigm is also undesirable As the first book to provide a single case study on TJ in Nepal it makes theoretical and empirical contributions to TJ research in Nepal and the Asia Pacific more broadly the politics versus justice binary and the concept of victimhood among others It will be of interest to a wide range of scholars in the study of transitional justice peace and conflict studies human rights sociology political science criminology law anthropology and South Asian Studies as well as policy makers and NGOs

Transitional Justice in Troubled Societies Aleksandar Fatic, Klaus Bachmann, Igor Lyubashenko, 2018-11-26 This book discusses the crucial strategic topic for the practical implementation of transitional justice in post conflict societies by arguing that the dilemma is defined by the extent to which the actual achievement of the political goals of transition is a necessary condition for the long term observance and implementation of justice While in many cases the blind criminal justice does not enhance and even militates against the achievement of political transitions an understanding of transitional justice as a fundamentally political process is novel controversial and a concept which may shape the future of transitional justice This collection contributes to developing this concept both theoretically and through concrete and current case studies from the worlds most pronounced crisis spots for transitional justice

Globalizing Transitional Justice Ruti G. Teitel, 2014-04-02 Among the most prominent and significant political and legal developments since the end of the Cold War is the proliferation of mechanisms for addressing the complex challenges of transition from authoritarian rule to human rights based democratic constitutionalism particularly with regards to the demands for accountability in relation to conflicts and abuses of the past Whether one thinks of the Middle East South Africa the Balkans Latin America or Cambodia an extraordinary amount of knowledge has been gained and processes instituted through transitional justice No longer a byproduct or afterthought transitional justice is unquestionably the driver of political change In Globalizing Transitional Justice Ruti G Teitel provides a collection of her own essays that embody her evolving reflections on the practice and discourse of transitional justice since her book Transitional Justice published back in 2000 In this new book Teitel focuses on the ways in which transitional justice concepts have found legal expression especially through human rights law and jurisprudence and international criminal law These essays shed light on some of the difficult choices encountered in the design of transitional justice criminal trials vs amnesties or truth commissions domestic or international processes peace and reconciliation vs accountability and punishment Transitional justice is considered not only in relation to

political events and legal developments but also in relation to the broader social and cultural tendencies of our times

Transitional Justice in the Asia-Pacific Renee Jeffery, Hun Joon Kim, 2014 This is the first book to provide an overview of the processes and practices of transitional justice in the Asia Pacific region

Thank you for downloading **Transitional Justice**. Maybe you have knowledge that, people have look numerous times for their favorite readings like this Transitional Justice, but end up in malicious downloads. Rather than reading a good book with a cup of tea in the afternoon, instead they juggled with some infectious virus inside their laptop.

Transitional Justice is available in our digital library an online access to it is set as public so you can download it instantly. Our books collection hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Transitional Justice is universally compatible with any devices to read
